S.No.	Industry Visit Programme	Industry Visit detail	Remarks
1.	Visit initiation	The Industry visit to Sandhar component Manesar ,Plot no-24-25, Sector-3 IMT Manesar started at 10.45 am from Amity campus on Bus with 30 MBA-I semester students accompanied by Faculty Ajay Pandey and Dy. Director, CRC Ankur Gupta.	The MBA students are curious and enthusiastic for the industry visit.
2.	Visit conduction	After reaching Sandhar component Manesar at 12.15 pm, the students are welcomed by Sandhar component staff and further addressed by HR Head, wherein he elaborated how Sandhar became one of the major auto component supplier to major automobile companies through its India operation and explained the injection moulding plant operation of Sandhar, with state-of-the-art injection moulding machines. The students then are divided into two groups and moved through the whole plant where floor supervisors explained them how the plastic components are made starting from granules to finished products involving all safety, quality, environmental and hygiene measures.	The MBA students understood the manufacturing process of plastic auto components involving injection moulding machines with quality control safeguards.

3.	Visit conclusion	The industry visit concluded at 2.30 pm and after photo-session and thanksgiving, the MBA students and co-ordinators departed to the university campus.	The industry visit to Sandhar component Manesar conducted successfully.
