S.No.	Industry Visit Programme	Industry Visit detail	Remarks
1.	Visit initiation	The Visit to Havells India Ltd.started at 10.00 am from Amity campus on Bus.The delegation of 44 students from MBA Banking & Finance stream and B.Tech (mechanical) stream, accompanied by ABS Faculty Member Ankit Dhamija, ASET Faculty Member Mr Sandeep Phogat and Mr.Ankur Gupta (Deputy Director CRC) reached at Havells India Ltd Neemrana .	The MBA and ASET students were inquisitive and curious for the industry visit.
2.	Visit conduction	The MBA team after arriving at Havells India Ltd. Plant Manager Mr. Vijay Pal Singh after welcoming the delegation, apprised the students about the introduction, process-operation the company and its Plant. After the brief introduction about the plant, the students were guided to the Assembly Line visit of Motor & Submersible Unit where they were divided in two groups, each headed by an official of the organization. During the visit, the students were explained the working of various sections of the unit such as Machine shop, assembly shop and Paint shop. The students spend more than 2 hours at the plant visit. • The Company is basically into manufacturing of a wide range of world class industrial and consumer electrical products including LED's, water motors for home and industrial use. • Around 2500 staff work in the plant where 100 odd are white collar employees and around 2400 are blue collar employees. • As told by the company official the major locations from where Havells is operating in India are located in Dehli NCR, Alwar, Baddi, Faridabad, Haridwar, Neemrana and Sahibabad. The Company has an extremely strong global presence across 50 countries with manufacturing units in China, Europe, Africa and Latin America. • It was a huge plant, with high operations, basically a full fledged engineering unit. Initial processes, manufacturing and finishing of various types of motors was seen and observed by MBA students	The MBA students understand the manufacturing processes and a lot of queries related to financial and cost aspects were asked which were efficiently answered by the company officials.

3.	Visit conclusion	- The students were curious to learn about the manufacturing processes and a lot of queries related to financial and cost aspects were asked which were efficiently answered by the company officials. - Overall, it was a good visit for MBA- students. It has been requested to company officials for visit to its other units, for better exposure to students. - The company Officials also organized refreshments for students and faculty coordinators. The visit concluded at 3:30 and students along with faculty members and Deputy Director CRC board the Bus for return to Amity Campus.	The industry visit to Havells India Ltd.,Neemrana (Raj.) conducted successfully.
