

Workshop on

“Lactation and Breastfeeding: An Initiative for Professionals of Tomorrow”

Date and Time: 2nd August 2017, 10.30am-4.30pm

Venue: B Block Auditorium

Objective: To create an awareness among the health professionals and student nurses on breastfeeding so that the breast feeding rate among the mothers can be increased.

Introduction

World Breastfeeding Week is an annual celebration which is held every year from 1 to 7 August in more than 120 countries. The World Health Organization and the American Academy of Pediatrics emphasize the value of breastfeeding for mothers as well as children. Both recommend exclusive breastfeeding for the first six months of life and then supplemented breastfeeding for at least one year and up to two years or more. In order to commemorate this week, ACON decided to conduct a workshop on Lactation on 2nd August 2017.
