INTRODUCTION:

T.N.A.I.[Trained Nurses Association Of India] is the national professional association of nurses. It was founded in 1905 at Lucknow. TNAI of India is India's and world's largest association of nurses and nursing students, with nearly 4,00,000 members. It represents all categories of nurses, covering from students, Practitioners, educators, researchers and administrators in both state run and private institutions. The organisation is composed of nine European nurses holding administrative posts in hospitals. They want to develop nursing as a profession and also help the professional nurses meet and plan to achieve these ends. The first president was Miss Allen Martin and first secretary was Miss Burn. Currently TNAI Headquarters are located at Green Park, New Delhi.

OBJECTIVES OF TNAI:

1. Uphold the dignity and honor of nursing profession.
2. Promote a sense of spirit de- corps among all nurses profession.
3. To provide registration for qualified nurses and to provide opportunity of registration within different states in the country and within different countries.
4. To upgrade and develop the nursing education.
5. To improve the living and working conditions of the nurses and also develop the educational conditions available for nursing.
6. To improve the economic standards of nurses in India.

REPORT:

The bus of students and accompanying faculty members started from Amity University, Manesar at 11.15 am and reached TNAI Head Quarters at 1:30pm. Students and faculty were welcomed by Mrs. S. Vatchala Dhinakaran, Assistant Secretary General TNAI. They took us to the Conference Hall and briefly introduced regarding TNAI's History, Activities, How TNAI is organised, Benefits of TNAI and its membership and Milestones of the Association. They told us that they have a newly built Central institute of Nursing and Research and elderly care home in 2012. Even they said Govt. Of India give 25% of Discount in I Class trains for TNAI Life time members. Accommodation facilities in New Delhi (TNAI Guest house) for members of TNAI at nominal prices. They have also explained their future plans and ventures. After the session, our students had visited their campus and took a round. We returned from TNAI at 4.30 pm and reached 6 pm at AUH Campus.
