History taking and Mental Status Examination

27th Nov 2015

Amity Institute of behavior and allied sciences organized a talk on History taking and Mental Status Examination which was conducted by Dr Anand Pratap Singh, Head of the Department of Mental Health and Wellbeing, Greater Noida. The esteemed resource was welcomed by Prof. Rishipal, Head of AIBAS and by Prof. Padmakali Banerjee, Pro Vice Chancellor of AUH. The workshop was conducted on 27th Nov 2015, which was attended by over 180 students including Undergraduates and Post Graduates of B.A Applied, B.Sc Clinical Psychology and M.A Applied as well as M.Sc clinical psychology students.

The session started at 10.00 am and was initiated with an introduction to Importance of Mental Health and Internship of psychology students at the earlier stages of education. The session included variety of learning strategies including group exercises to learn observation techniques helpful in order to understand the state of patient in clinical setup. Knowledge regarding the history taking was also imparted with the help of examples and real time patient dealing experiences.

The talk laid emphasis on bringing insight among students on how to examine and ask questions to get detailed case histories and understanding its importance.

The session ended with a note of thanks led by Ms. Priyanka Verma and experiences shared down by students
