Amity Institute of Behavioural and Allied Sciences
Workshop on 'Neuropsychology'
12th May 2016 (10:00 am – 1:00 pm)

Amity Institute of Behavioural and Allied Sciences organized a one day workshop on 'Neuropsychology' for its UG and PG students on 12th May 2016. The session was conducted by Dr. Nandini Sen, Professor, National Brain Research Center, Gurugram, India. Workshop was inaugurated and addressed by Prof. (Dr.) Padmakali Banerjee, Pro Vice-Chancellor and Dean Academics. Students were also addressed by Prof. (Dr.) Rishipal, HoD, AIBAS. Thereafter Dr. Nandini talked about the scope of the field of Neuropsychology. She discussed in detail about the Neuroimaging techniques like Magnetic Resonance Imaging, CT-Scan, PET and EEG through various Audio and Visual aids. Many videos of the tests actually being conducted in NBRC were also shown. Vote of thanks was delivered by Dr. Meeta Malhotra, Assistant professor, AIBAS. Approximately 70 students from UG and PG attended the session. It was an interactive session and students got real time exposure in the workshop.
