Introduction

A one day seminar by Mobile Comm Technologies (India) Pvt. Ltd. was conducted in Amity University Haryana on “**Telecom World & Opportunities**” on 2nd March, 2016 under the able guidance of faculty coordinator Ms. Karamjeet Kaur and Mr. Rajat Butola.

Students of M.Tech (ECE & VLSI) 2nd Semester, B.Tech (ECE & EEE) 4th, 6th and 8th Semester attended the seminar. The seminar had one session, which started at 11:00 am till 1:00 pm.

Aim/Objective/Purpose of the Event

The aim of the seminar was to discuss the scope of telecommunications in core telecom companies.

Highlights of the Event

Session had following topics covered:

1. An Overview on Telecom Industry
2. Briefing on Emerging Technologies
3. Opportunity for Students
4. Bridging the Gap
5. Q&A Session.

The seminar was delivered by **Ms. Yabrin Amin**. She has experience in Telecom industry in various sectors like Technical Training, Curriculum Development & In-House training of the students.

Outcomes of the Event

Students were briefed about the scope of telecommunications in core telecom companies. They detailed about the 6-week/months regular/summer/industrial training 2016 they are providing at Gurgaon for the aspiring students.

Students were detailed about:

1. A Verge over Traditional Studies
2. Understanding Telecom as a Home and Office option
3. Driving factors in Telecom Industry
4. Career Opportunities

Conclusion

The seminar ended with a questioning and answering session and was quite interesting as students received a lot of knowledge about the overview of Telecommunication industry & opportunities.
