Details of Event: This event is based on live tour of base kitchen facility of Ambassdor's Sky Chef who are in business since 1942 and are pioneers of airline catering business. Various techniques of processing and cooking food using hi-tech modern equipments to ensure smooth operations as per airline food orders have been demonstrated to the students. This event is organized for all BHMCT students as the content is related to their core area.

Learning Outcome: after completion of event students will learn about the concept of Volume Cooking following international food safety norms. The students will be able to:

- ✓ Plan catering infrastructure.
- ✓ Use various equipments and their functions in flight catering
- ✓ Service procedure in tray set up in airline carts in flight services.
- ✓ Exposure to volume cooking involving all cuisines
