EVENT REPORT

The heritage transport museum is located in the small village of Tauru near Gurgaon. The collection of the museum boasts vintage cars, trains, planes, bikes and carriages along with art installations and books on transport.

Students from BID first, third and fifth semesters arrived on the site on the morning of 30th August and were given a tour of the whole structure by the management.

The students were exposed to lighting techniques, flexible space management, innovative use of flooring, provisions for the handicapped and landscape installations.

The students spent hours photographing and sketching on the premises and hope to incorporate the new ideas in their assignments.
