Sub: Case of stalking and troubling

Respected ma'am

This is to bring to your kind attention some recent activities of a girl from my class. Ms. Yukti Bhatia has been stalking and troubling me for nearly 10 months, ever since November 2018. The messages on social media bothered me so much that I had to block her. Recently, she started following me around in college, which has made me uncomfortable to all imaginable extents. This has ended my personal space and life. In class, she continuously stares at me, which makes it difficult to focus.

Moreover, I brought these events to your notice on 29th August 2019, Thursday; upon which you made her talk and she promised she wouldn't bother me again when I admitted that I'm not interested in all these things; which happened on

Ma'am, I'm mentally troubled and very uncomfortable in college due to these events and am unable to work myself out of this.

By bringing all this to your notice, I hope to find a legitimate solution.
