

3.7.1 Number of collaborative activities with other institutions/ research establishments/industry for research and academic development of faculty and students per year

Sl. No.	Title of the collaborative activity	Name of the collaborating agency with contact details	Name of the participant	Year of collaboration	Starting Date	Ending Date	Summary of the activity
1	National Seminar on Scientific and Technical Terminology	CSTT	Students of UG and PG	2017-18	29-11-2017	30-11-2017	National seminars on scientific and technical terminology provide a platform for experts to deliberate on existing terminologies and propose standardization measures. This process helps to avoid confusion, inconsistencies, and misinterpretations that may arise due to different interpretations or translations of terms. By establishing standardized terminology, the scientific and technical community can achieve greater clarity and coherence in their work.
2	Co-supervisor of Research Scholar	S.N. Medical College, Agra	Dr. Avijit Kumar Awasthi, S.N. Medical College, Agra	2017-18	26-09-2017	Till date	The co-supervisor contributed to the development and refinement of the scholars research proposal. They provide feedback, suggestions, and expertise to help the scholar articulate their research objectives, methodology, and expected outcomes.
