Yoga is the journey of the self, through the self, to the self.” – The Bhagavad Gita. Yoga is not a religion; it is a way of life that aims towards a healthy mind in a healthy body. Yoga helps promote a balanced development of physical, mental and spiritual being of a person. It brings together physical and mental disciplines to achieve a peaceful body and mind. Practice of Yoga also helps in increasing flexibility and improving respiration, energy and vitality. In a speech given at UN General Assembly on September 2014 our Honorable Prime Minister Mr. Narendra Modi said, “Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well being.”

Amity University Madhya Pradesh completely believes that a healthy mind only resides in a healthy body. The students at our university are always made to understand the importance of yoga. It means addition – addition of energy, strength and beauty to body, mind and soul. The faculty and students are sensitized regarding the positive effect of yoga on the mind and soul. Yoga in daily life is a system of practice consisting of eight levels of development in the areas of physical, mental, social and spiritual health. When the body is physically healthy, the mind is clear, focused and stress is under control.

Event of Practicing Yoga, 21st June 2019:

Life is hectic today full of stress and worries. Practicing yoga will give you a peaceful mind and a healthy body. It will improve your body resistance towards ailments and help you concentrate more on work and studies. Realizing the supreme importance of Yoga and carrying forward above thoughts the put into practice, Amity University Madhya Pradesh celebrated the 5th International Day of Yoga on 21st June 2019. The event was a huge success.

PART II

A session on “The Healing Power of Yoga: For Health, Well-Being and Inner Peace” was organized for all the faculty and staff of the University in the Seminar Hall. The talk was delivered by Dr. Rajender Singh, Director, Physical Education, Jiwaji University.

He spoke at length about the benefits of Yoga and how it is very important to inculcate it in daily life. He emphasized that the best way to manage stress is to meditate and do yoga daily. This also gives peace of mind and all will be able to concentrate more on the work.

Practicing yoga is said to come with many benefits for both mental and physical health, though not all of these benefits have been backed by science. Prof. Singh also said that Yoga is not just about bending or twisting the body and holding the breath. It is a mechanism to bring you into a state where you see and experience reality just the way it is. If you allow your energies to become exuberant and ecstatic, your sensory body expands. This enables you to experience the whole universe as a part of yourself, making everything one – this is the union that yoga creates.

Prof. Singh also said that more and more mainstream medical practices are adopting yoga therapeutics, as growing research shows its eff-

aiding recovery, especially from stress-induced conditions, and improving overall health and vitality. Statistics show that 60 to 80 percent of the complaints that people bring to their doctors are stress-induced, and yoga can be an effective means to mitigate and even prevent stress-induced conditions, restoring a sense of balance and ease. The session was well received by all the faculty and staff. The Amity University Madhya Pradesh is committed towards organizing more such events in future for benefit of the society, young generation and, students in particular.

Amity University Madhya Pradesh extended a warm welcome to the fresh batch of the Amitians by organizing its Annual Introduction Party 'Melange 2018' on 05 October 2018. One of the most awaited events of the year, 'Melange 2018' aimed at welcoming the newcomers in a friendly atmosphere encouraging their creative impulses and boosting their confidence, while fostering a healthy bond between the juniors and the seniors.

Adorned in graceful and vibrant attires befitting the theme of the party "Prince and Princess", the fresh entrants congregated in the University grounds. The evening was full of festivities, pulsating with the enthusiasm of the students. The event started with a performance of Ami Band. The showcase of extraordinary talents by students in different events like Ramp-walk, singing and dancing left the crowd enchanted. The crowd stood mesmerized over the rhythmic song tracks and melodious vocals by students of first year. A marvellous amalgamation of Indian and western form of dancing was staged that elevated the pace of the event. Adorned in their magnificent attires, the students looked stunning as they gracefully and confidently walked the ramp during the Fashion Show. The time-honoured tradition of selection of Mr. and Ms. Fresher was continued where, on the parameters of grace, style and intelligence, Harsh Pratap Singh (BBA LLB 1st Sem) and Siddhi Jaisinghani (BCOM Hons 1st Sem) were crowned as Mr. Fresher and Ms. Fresher of 2018 respectively. The winners, along with other performers of the evening were felicitated by the Hon'ble Vice Chancellor, AUMP, Lt Gen V K Sharma, AVSM (Retd.) along with Pro Vice Chancellor Prof. (Dr.) M. P. National Flag being unfurled on the 72nd Independence Day by Lt Gen V K Sharma, AVSM (Retd), Hon'ble Vice Chancellor, AUMP

Amity University Madhya Pradesh celebrated the 72nd Independence Day of the Country with patriotic zeal and spirit on 15th August 2018 and remembered with gratitude the sacrifice of the freedom fighters.

The celebration commenced with the hoisting of the National Flag by the Hon'ble Vice Chancellor AUMP, Lt. Gen. V.K. Sharma, AVSM (Retd). This was followed by the singing of the National Anthem. Following this, all Amitians pledged to contribute to the Swachhh Bharat Mission. Thereafter, Hon'ble Vice Chancellor addressed the Amitians. He congratulated the Amity family on the occasion of the 72nd Independence Day and urged everyone to contribute to the Clean India Mission. He pointed out three major deterrents to India's growth: corruption, lack of internal security especially for women, and dishonesty towards self, nation and national development. He also motivated the students to be independent in terms of learning, as knowledge is not restricted to classrooms.

Immediately after the hoisting of the National Flag by the Hon'ble Vice Chancellor of the University, the students, staff and members of faculty were administered the oath of Cleanliness. Each Amitian pledged to keep his/her surroundings clean. She also pledged that they would neither dirty their surroundings nor let anyone else to do so. After the pledge.

Various cultural programs were a part of celebration of the Independence Day which included Patriotic Songs and Poetry Recitation by the students of AUMP.

Amity University Madhya Pradesh extended a warm welcome to the fresh batch of the Amitians by organizing its Annual Introduction Party 'Melange 2018' on 05 October 2018. One of the most awaited events of the year, 'Melange 2018' aimed at welcoming the newcomers in a friendly atmosphere encouraging their creative impulses and boosting their confidence, while fostering a healthy bond between the juniors and the seniors.

Adorned in graceful and vibrant attires befitting the theme of the party "Prince and Princess", the fresh entrants congregated in the University grounds. The evening was full of festivities, pulsating with the enthusiasm of the students. The event started with a performance of Ami Band. The showcase of extraordinary talents by students in different events like Ramp-walk, singing and dancing left the crowd enchanted. The crowd stood mesmerized over the rhythmic song tracks and melodious vocals by students of first year. A marvellous amalgamation of Indian and western form of dancing was staged that elevated the pace of the event. Adorned in their magnificent attires, the students looked stunning as they gracefully and confidently walked the ramp during the Fashion Show. The time-honoured tradition of

AMITY SCHOOL OF ARCHITECTURE AND PLANNING

ORGANIZED

'HERITAGE WALK and LIVE SKETCHING WORKSHOP'

ON

31-08-2018 AT BATESHWAR ,

GARHI PADHAVALI AND MITAWALI HISTORICAL TEMPLE COMPLEXES.

Keeping in view the value of Indian Heritage and the impact of ancient architectural design in modern architecture. Amity School of Architecture and Planning (ASAP) Gwalior, organized an informative heritage walk cum sketching workshop at Bateshwar, Garhi Padawali and Mitawali historical temple complexes, morena.

The day long trip was attended by 24 students of B.Arch. and B.I.D 1st year along with 2nd Year, under the guidance of Ar. Monika Gupta and Ar. Ashish Sharma , faculties of ASAP (Gwalior).

Aim to visit such an ancient and cultural site is to gather the knowledge about the impact of prevailing culture of pratihara's (8th to 10th century). Their design philosophies, construction techniques and the utilization of locally available materials and resources in their architectural style.

Starting our educational trip to Morena district. The first place was mitawali, a chausath yogini temple. It's one of the rarest hindu temple in india. It's a circular planned temple and dedicated to tantric sector of chausath yogini. Mitawali has an outer circle of 64 subsidiary shrines of shiva with a central shrine of the yogini. These 64 parts also depict the 64 halts of a day. And above all it is said that the design of Indian parliament is inspired by the planning concept of this temple.

The next halt was Garhi Padhawali, a fortress of astrological students of 8th century. The ASI's restoration work was undergoing at the site, a highly attractive stone work was found on the walls of the fort. The fort has a heavy foundation. The temple of Garhi Padawali was originally consisted of sanctum sanctorum and mandapa, which is mostly obliterated except ornately designed mukhamandapa stands on the entrance of the temple. Built over a considerably raised adhistana, it might be dedicated to shiva, as evident from the huge nandi found from the temple ruins. The interior of the structure is richly carved with designs friezes of sculptures of various divinities of brahmanical pantheon- brahama, Vishnu, maheshwar, surya, ganesha, chandi and incarnation of Vishnu. The reliefs also narrate the mythological story from epics and puranas. The carvings reflect the art and culture of the period.

The study of the original feature of the temples show, it was built during C. 10th century A.D. later on, the temple was fortified by the rulers of Jat Ranas of Gohad during 19th century A.D.

The last stoppage was to ASI's restoration site- Batesara Temple complexes of 8th century. All the students were distributed in groups and given the specific topics to collect the data such as planning of the temples, material used, stone carvings, design strategy, the geographical arrangements of the shiva and Vishnu temples. 120 temples were actually there but ruins of only 80 temples were found. Temples are of gurjara, pratiharas dynasty but some temples ruins of Gupta period are also excavated there. A group of ruined temples spread over the western slope of an isolated hill are located south-west of padawali village in the Morena district of Madhya Pradesh. Made of stone masonry, the ruins comprised of temple remains, gateways, stepped tanks, architectural members, amalakas, brahmanical icons, etc. which can be stylistically ascribed to post-gupta to early pratihara period ranging from 6th- 9th century A.D. it shows the early stages of development of temple art. The earliest group of temples are having sanctum proper with flat roof while temples of later phases are possessed with curvy linear shikhara over the sanctums. One of the surviving temple, dedicated to lord shiva known as Bateshwara temple, shows all the features of pratihara art. Some of the temples are reconstructed by the archaeological survey of India recently in its original form and renovated most of the structure.

It was a fruitful and knowledge gaining session for all the students. A huge information about the 8th century temples and the value of Indian heritage and temple architecture, the ancient sustainable practices and best utilization of local condition and available resources in the key lesson for long day trip. The students were highly motivated and desperate for such kind of knowledge gaining sessions in their upcoming curriculum.

Sculpture and Clay Modeling Workshop - ASAP 01-10-2018

On 1st' Oct, 2018, the Amity School of Architecture and Planning had conducted "Sculpture and Clay Modeling Workshop" where the 1st and 2nd year batches of B. Architecture and B.I.D had actively contributed to this workshop to bring out the best potentiality of the Department. From Amity School of Architecture and Planning, 24 students participated all together and performed with flying colours. The event was commenced under the guidance of Prof. Y. P. Singh by the organizing team of Ar. Ashish Sharma, Ar. Monika Shekhar Gupta, Ar. Sudheer Sikarwar and Ar. Siddharth Jadon.

This workshop was intended to appreciate clay and all its beauty, bounty and abundance; its strength and structural ability; its flexibility to bend and not break; its multi-functionality and usefulness; and its sustainability. It was to bring out the best of Clay structures which can be utilized for beautification of the campus and we as individuals create more self-reliant, energy efficient and sustainable environment. This event also aimed to create a "learning beyond the classroom" and gain practical knowledge about the essentialities of Clay and Plaster of Paris.

This practical hands-on workshop has covered the practical aspects of building with clay. It covers all the important basics we need to know including molding, preparation and detailing. The aim of the workshop has been fulfilled to its best by educating students about the potential of clay as an alternative material for various products, furniture and architecture.

The department had a joint venture of collaboration of all the batches working together, acting as "helping hands" and "learning beyond the classrooms" which boosted confidence in the students to work into any environment and inculcating eye opening experience. The program has harvested a seed of hope to deal with ground realities in execution, management and spontaneous decision making for making the project successful.

The aim of the workshop has been fulfilled to its best by educating students about the potential of polymer clay as an alternative material for various products.

Objectives: -

- i. This workshop was intended to appreciate Pidilite polymer clay and all its beauty, bounty and abundance; its strength and structural ability; its flexibility to bend and not break; its multi-functionality and usefulness; and its sustainability. It was to bring out the best of Pidilite polymer Clay and paper messy clay structures
- ii. This was followed by the how to use Pidilite polymer Clay on MDF board and canvas, mixing and setting up of polymer clay for the further process. Development of design with imagination process and processing of paper messy i.e. mixing of water into paper messy to create different sized lumps and keep it for drying.

- iii. This practical hands-on workshop has covered the practical aspects of Pidilite polymer clay and paper messy. It covers all the important basics we need to know including moulding, preparation and detailing.

Pre – Competition Outcomes

2. Tangible Outcomes:-

- (a) The 1st, 2nd and 3rd year batches of B. Arch and B.ID had actively contributed to this workshop to bring out the best potentiality. The entire process encouraged the students to effective use of Pidilite polymer clay and paper messy through creativity.
- (b) Rs 4,885/- Total budget sanctioned for the event provided by AUMP. There is no outside student participation so registration fee is nil and total financial support was provided by AUMP.

3. Intangible Outcomes:-

- (a) The students of 1st and 2nd year B.Arch and B.ID, ASAP, AUMP showed a lot of excitement in participating in sculpture making workshop.
- (b) This sculpture making workshop has provided a platform to the students to demonstrate their creativity through using Pidilite polymer clay and paper messy. It has helped them to create best sculptures and murals.
- (c) The Participants have learnt to work with a team under the guidance of Mentors allotted to them.

During Competition Outcomes

4. Tangible Outcomes:-

- (a) The participants were enthusiastic in presenting their ideas to develop murals and sculptures by given material to them and displayed a deep understanding towards techniques used for making objects.
- (b) The workshop helped the students to sharpen their imagination and creativity.

5. Intangible Outcomes

- (a) The workshop provided the students a platform to share their ideas with each other, to put across their ideas for making object from given material.

(b) The workshop resulted in knowledge sharing by the students of third year of B.Arch and B.ID courses to younger batches.

Post Competition Outcomes

6. Tangible Outcomes.

(a) Participants have learned great sense of design, and the value of teamwork in a execution team.

(b) The students of organizing committee learnt how to conduct and coordinate an event by keeping different aspects like logistics, management, coordination and distribution in sync with each other. This was the most important outcome of the workshop.

(c) Total expenses of Sculpture making workshop with regard to Materials, Colors, etc was approx INR 4,880/- while fund sanctioned was INR 4,885/- so the net expenses on the conference are INR 4,880/-.

7. Learning outcomes:-

This practical hands-on workshop has covered the practical aspects of Pidilite polymer clay and paper messy materials utilization through imagination. It covers all the important basics we need which include important human element; the human perception of, and response to, the natural environment. The aim of the workshop has been fulfilled by educating students about the making of useful objects those were all designed to its best by educational experience and occasion, and how we can utilize the material as a building material.

8. Impact on the students:-

The department had a joint venture of collaboration of all the batches working together, acting as “helping hands” and “learning beyond the classrooms” which boosted confidence in the students to work into any environment and inculcating eye opening experience.

The program has harvested a seed of hope to deal with ground realities in execution, management and spontaneous decision making for making the project successful.

The learning techniques have enhanced our knowledge and increased our passion towards buildings and open space and making living environment for all of us to live in harmony.

Of

National Seminar

On

**Emerging Trends in Architecture, Planning, and Design
“ArchiFuture – 2040” Organized on**

6th March, 2019

By

AMITY SCHOOL OF ARCHITECTURE & PLANNING

General

- 1.** Amity School of Architecture & Planning conducted a Emerging Trends in Architecture, Planning, and Design “ArchiFuture – 2040” on 06th of March, 2019 to create a forum for discourse over this contemporary topic. Distinguished speakers from various academic and Industrial backgrounds made their presence felt and participated in the seminar to share their ideas and views on various aspects of Future Architecture Development Strategies, i.e., how acutely it has permeated into our society, how indispensable it has become, and what are the various roles, issues and challenges that are involved.

Objective(s) of the Seminar

- 2.** The National Seminar was organized with following objectives:
 - (a) To create awareness amongst students and faculties about the Future of Architecture after 20 years, particularly Sustainability in Urban context.
 - (b) To explore new areas of research in this field.
 - (c) To provide a networking opportunity to scholars & researchers.
 - (d) To foster discussion on the challenges & concerns of Sustainable Development in India and world.
 - (e) To provide a platform to scholars & researchers to showcase their research.
 - (f) To foster brand building of ASAP and AUMP as a premiere educational institution.
 - (g) To add to the corpus of literature on the subject through the publication of a book of research papers.

Pre – Seminar Outcomes

3. Tangible Outcomes

- (a) Total thirty five participants registered for the seminar and an amount of Rs. 25,000 /- was collected as registration fees.
- (b) Total eighty three student attendee registered for National Seminar outside AUMP (fifty five Students from Madhav Institute of technology and Science, Gwalior and twenty eight from ITM University, Gwalior) and an amount of Rs. 8,300 /- was collected as registration fees.
- (c) ISBN number for the book of abstracts i.e. "ISBN-978-93-5346-740-1 " was obtained prior to the seminar by Raja Ram Mohan Roy.
- (d) Forty papers/abstracts were received out of which twenty five full papers were selected for publication in the book of Seminar.
- (e) The sponsorship of Rs 25,000/- was received from different organizations and funding agencies like from Ashirvad Pipes Pvt. Ltd, Gwalior, Astitva Architect & Associates, Gwalior, Shanti trading company, Gwalior.

4. Intangible Outcomes

- (a) The media campaign conducted prior to the conduct of the event resulted in wide coverage of the Seminar by all leading newspapers of Madhya Pradesh.
- (b) The National Seminar was vigorously advertised on the social media as well as in a number of important social platforms such as Facebook and Whatsapp. A large number of persons who have seen these posts have got a very positive impression about ASAP in particular and AUMP in general.
- (c) Promotion of National Seminar was also done by physically visiting various colleges in Gwalior. This has helped in brand building for AUMP.
- (d) Invitations for the National Seminar were sent to Vice Chancellors / Heads of Institutions of all colleges and universities of national repute. Now all of them are aware of ASAP & AUMP and the kind of technical exposure being provided to the stakeholders as well as to the beneficiaries.
- (e) The National Seminar Brochures were sent to more than 50 universities (Govt., State as well as Private) of Madhya Pradesh and surrounding States and also to some important colleges, which resulted in a good advertising for AUMP.
- (f) The National Seminar brochures were also sent to various national level practicing architects and their offices and now these national level professionals also know about ASAP-AUMP and the type of technical initiatives being undertaken to contribute towards Nation building. The various sponsors and architects got to know about the skills of students of ASAP and committed for upcoming trainees to be appointed in their firms from ASAP. A number of students are expected to be placed for internships and jobs in coming future in these firms.

During Seminar Outcomes

5. Tangible Outcomes

- (a) Book of abstracts and brief of the Invited Talk with ISBN-978-93-5346-740-1 was released during the inaugural ceremony of the seminar.
- (b) A large number of delegates and students, who attended the seminar, would have gained the latest knowledge from the talks given by the speakers.
- (c) The proceedings of the seminar, elaborating topics of invited talks and the eminent personalities who delivered these talks were widely covered by the print media of M.P. and this may help in brand building for AUMP as a research driven university.

6. Intangible Outcomes

- (a) The aim of the seminar was to provide a platform to the researchers and professionals from both academia as well as industry to meet and share cutting-edge developments in the field. This was well met by invited talks given by the stalwarts of both academia and industry as below :-
 - (i) The keynote speaker Prof. Manoj Mathur, School of Planning & Architecture, Delhi, emphasized on “Minimalism Construction and its process” While addressing the gathering from the forum, said, The biggest challenge of contemporary times is to minimize pollution and fulfillment through limited resources, not only in the statement but in reality we need people to think in this direction
 - (ii) Prof. Ajit Mangar, Project Development Consultant, Lucknow on the topic “Living Environment and sustainability”. AMITY LAW SCHOOL

General

1. Life of law is not logic, it is experience. Hence, Practical experience in law is very important. When stands in good stand with any legal professional, Moot Court exercises are indispensable to impart practical training to the students of Law. In the above backdrop, Amity Law School, Amity University, Madhya Pradesh, Gwalior conducted an internal Moot Court Competition, “4th INTRAMOOT 2018” for its own students. All the UG students of ALS, except first and Final year students, were required to actively participate in the event. 1st year students, however, were also required to take part as the Court clerks and as spectators. The Competition was organized on 24-26 October 2018 in ‘B’ Block, Amity University, Madhya Pradesh, Gwalior, with an intention to give a platform to budding lawyers for growing as a skilled professionals. The Moot Proposition was based on Constitutional Law. The issue was related to Article 14, 19 and 21 of the Constitution of India. Faculty members of ALS judged various rounds of the events. LL.M. students were also included in the panel. Students were examined on three Parameters, First, they were examined for their drafting skill through their Memorials for Petitioner and Respondent, thereafter, researchers of the participating teams were examined for the research they did for the event in relation to Moot Proposition. The ultimate test was the arguments before the Court. Out of 55 teams of 3 students each, 8 teams qualified for quarterfinal round on the basis of their collective marks in Memorials and 1st Oral round. Through knockout rounds, two teams reached the Final. After conducting various rounds in Room No. 106, 107, 108, 109, 110, 204-A and 204-B, the final was organized in the Moot Court.

AMITY LAW SCHOOL
OUTCOME REPORT
Of
MODEL UNITED NATIONS
27th & 28th August 2018

1. General

Amity Law School (ALS) – Amity University Madhya Pradesh organised a Model United Nations at national level on 27th and 28th August 2018. Model United Nations, also known as Model UN or MUN, is an extra-curricular activity in which students typically role play delegates to the United Nations and simulate UN Committees. This activity takes place at MUN conferences, which is usually organized by a high school or college MUN club. At the end of most conferences, outstanding delegates in each committee are recognized and given an Award, Certificate & the Best Delegate in each Committee. Thousands of middle schools, high schools and college students across the country and around the world participated in Model United Nations, which involved substantial researching, public speaking, debating, and writing skills, as well as critical thinking, teamwork, and leadership abilities.

Amity Law School organized two days Model United Nation on 27th and 28th August 2018. The event was inaugurated by lightening of lamp by Director ALS. Secretary General of this MUN Mr Deepansh Tripathi declared the MUN open.

In this edition of AUMP MUN there were a total of five committees and the International Press. The committees were –United Nation Human Rights Committee, UNHRC United Nation International Children’s Emergency Fund, UNICEF United Nation General Assembly: Legal UNGA United Nation Security Council UNSC and Lok Sabha. The agendas of committees were decided while keeping in mind the current world scenario and the immediate requirement of changes and reforms in respective areas. The agenda of UNHRC was “The Right to Privacy in Digital Life” where delegates discussed and deliberated on the importance of privacy and the laws associated with it in the committee.

UNICEF's agenda was Locating the Role of Governments in the Realization of Right to Free and Compulsory Education to Children below 14 years of Age.

The agenda for UNGA: Legal, was Reforms of Security Council, the agenda for Lok Sabha was Regularising Social Media to Avoid its Misuse, and UNSC's agenda was Combating Terrorism in Afghanistan. For this event Amity Law School hosted around 270 students. These students were from 13 schools and 07 colleges from Gwalior and other parts of country. There were about 52 students in UNICEF, 27 in UNSC, 55 in UNHRC, 48 in Lok Sabha and 40 in UNGA: Legal and the rest in the International Press.

A cultural eve was organized on 27th August. Valedictory ceremony was conducted on 28th August. Chief Guest in valedictory function was Lt. Gen. M.L. Naidu PVSM, AVSM, YSM and former Vice Chief of Army Staff.

2. Objective(s) of the Workshop

The Model United Nation was organised with the following objectives:

- a) Gain insight into the workings of the United Nations and the dynamics of international relations by providing opportunities to assume the roles of UN representative
- b) Understand relations between countries and particularly the relations between rich and poor countries
- c) Carry out in-depth research which will include geography, history, science and economics related to climate change and issues of global poverty.

भूख बाल अपचारिता का मूल कारण है। कोई भी बालक भूख मिटाने के लिए पहली चोरी करता है। प्रतिकूल सामाजिक स्थितियों में वह अपचारी बन जाता है। यह विचार मध्य प्रदेश उच्च न्यायालय के न्यायमूर्ति जीएस अहलूवालिया ने एमटी लॉ स्कूल द्वारा आयोजित 'जुवेनाइल डेलीक्वेन्सी एण्ड जस्टिस चेंजिंग कन्ट्रर्स' विषय पर आयोजित राष्ट्रीय सेमिनार में व्यक्त किए। जस्टिस अहलूवालिया ने कहा कि विखंडित परिवार, धन के अभाव के साथ-साथ धन की अधिकता भी बालकों को अपचारी बना देती है।

यह एक सामाजिक समस्या है, जिसका समाधान मात्र विधि द्वारा नहीं हो सकता। सेमिनार में पूर्व अधिवक्ता आरडी जैन ने कहा कि न्याय प्रशासन में सबसे बड़ी समस्या, बाल अपचारी की आयु का निर्धारण है। उसे सुधार गृह भेजा जाए या सजा दी जाए, यह बिंदु भी महत्वपूर्ण है। एमटी विश्वविद्यालय के

कुलपति लेफ्टिनेंट जनरल वीके शर्मा ने कहा कि बाल जीवन में बढ़ती जा रही चोरी की आदत, हिंसा, ड्रग्स, लैंगिक अपराध, अपहरण जैसी प्रवृत्तियां मानव समाज के लिए एक गंभीर समस्या है। बच्चों की मानसिकता में होने वाले बदलाव से अभिभावकों का अनभिज्ञ रहना भी समस्या का एक कारण है।

उद्घाटन सत्र में ग्वालियर जोन के आईजी पुलिस रामबाबू सिंह ने बताया कि किशोर अपचारिता वर्तमान समय की सामाजिक एवं मनोवैज्ञानिक समस्या है। बाल अपराध अब अंतराष्ट्रीय समस्या बन चुकी है। बाल जीवन में बढ़ती जा रही हिंसा, नशे की लत, यौन अपराध, चोरी और अपहरण जैसी प्रवृत्तियां मानव समाज के लिए एक गंभीर समस्या है। उन्होंने ग्वालियर जिले में बढ़ते बाल अपराधों पर चिंता जाहिर करते हुए कहा कि 2018 में 379 अपराध दर्ज हुए जबकि 2017 में 345 और 2016 में सिर्फ 173 मामले रजिस्टर हुए। जाहिर है बाल अपराध तेजी से बढ़ रहे हैं।

भूख बाल अपचारिता का मूल कारण : अहलूवालिया

नवभारत न्यूज

ग्वालियर 31 मार्च. भूख बाल अपचारिता का मूल कारण है। कोई भी बालक भूख मिटाने के लिए पहली चोरी करता है। प्रतिकूल सामाजिक स्थितियों में वह अपचारी बन जाता है और अंततः अपराधी। यह विचार व्यक्त किए मध्य प्रदेश उच्च न्यायालय के न्यायमूर्ति जीएस अहलूवालिया ने और मौका था एमिटी लॉ स्कूल द्वारा आयोजित 'जुवेनाइल डेलीक्वेंसी एन्ड जस्टिस चेंजिंग कन्ट्रस' विषय पर आयोजित राष्ट्रीय सेमिनार का। जस्टिस अहलूवालिया ने कहा कि विखंडित परिवार, धन के अभाव के साथ-साथ धन की अधिकता

भी बालकों को अपचारी बना देती है। यह एक सामाजिक समस्या है, जिसका समाधान मात्र विधि द्वारा नहीं हो सकता।

कार्यक्रम को संबोधित करते हुए पूर्व अधिवक्ता आरडी जैन ने कहा कि न्याय प्रशासन में सबसे

एमिटी में 'जुवेनाइल डेलीक्वेंसी एन्ड जस्टिस, चेंजिंग कन्ट्रस' पर सेमिनार आयोजित

बड़ी समस्या, बाल अपचारी की आयु का निर्धारण है। उसे सुधार गृह भेजा जाए या सजा दी जाए, यह बिंदु भी महत्वपूर्ण है।

इस अवसर पर एमिटी विश्वविद्यालय के कुलपति लेफ्टिनेंट जनरल चौक

शर्मा, एबीएसएम ने बताया कि बाल जीवन में बढ़ती जा रही चोरी की आदत, हिंसा, ड्रग्स, लैंगिक अपराध, अपहरण जैसी प्रवृत्तियां मानव समाज के लिए एक गंभीर समस्या हैं। बच्चों की मानसिकता में होने वाले बदलाव से अभिवाधाकों का अनभिज्ञ रहना भी समस्या का एक कारण है।

इससे पहले उद्घाटन सत्र को संबोधित करते हुए ग्वालियर जेल के आई जी पुलिस श्री रामबाबू सिंह ने बताया कि किशोर अपचारिता वर्तमान समय की सामाजिक एवं मनोवैज्ञानिक समस्या है। बाल अपराध अब अंतराष्ट्रीय समस्या बन चुकी है। बाल जीवन में बढ़ती जा रही हिंसा, नशी की लत, यौन अपराध,

चोरी और अपहरण जैसी प्रवृत्तियां मानव समाज के लिए एक गंभीर समस्या हैं। उन्होंने ग्वालियर जिले में बढ़ते बाल अपराधों पर चिंता जाहिर करते हुए कहा कि 2018 में 379 अपराध दर्ज हुए जबकि 2017 में 345 और 2016 में सिर्फ 173 मामले रजिस्टर हुए। जाहिर है बाल अपराध तेजी से बढ़ रहे हैं।

सुप्रीम कोर्ट के वरिष्ठ अधिवक्ता कर्नल बालासुब्रह्मण्यम ने बाल अपराध के लिए कानून में आयु निर्धारण, सोशल मीडिया कंटेंट्स, वीडियो गेम्स, गरीबी, अशिक्षा, अकेलापन, सही गलत का फैसला करने में असमर्थ, अपराध से दूर रहने की इच्छाशक्ति को जिम्मेदार बताया। उन्होंने कुछ हद तक

पुलिस जांच में कमी, झूठी गवाही और अपूर्ण जांच के आधार पर बेकसूर को निरोध में रखना भी बढ़ते बाल अपराध के लिए जिम्मेदार हैं।

पैरल सेशन्स में भारत के विभिन्न भागों से आए एकेडमिशियंस, रिसर्च स्कॉलर्स एवं छात्रों ने अपने रिसर्च पेपर प्रस्तुत किये। समापन टिप्पणी प्रो वाइस चांसलर प्रोफेसर डॉ एमपी कौशिक और आभार प्रदर्शन एमिटी लॉ स्कूल के निदेशक मेजर जनरल राजेंद्र कुमार ने व्यक्त किया इस अवसर पर एमिटी के डॉ संदीप कुलश्रेष्ठ, डॉ राखी सिंह चौहान, डॉ सचिन शर्मा सहित सभी प्राध्यापकगण और विद्यार्थी उपस्थित रहे।

असहाय बच्चों की मदद जरूर करें

एमिटी यूनिवर्सिटी में शनिवार को किशोर अपराध और न्याय विषय पर हुआ सेमिनार

सिटी रिपोर्टर | ग्वालियर

बाल अपराध की शुरुआत भूख से होती है। परिवार में बिखराव, सिंगल फैमिली की वजह से बच्चों पर ज्यादा ध्यान न दे पाना भी इसकी एक वजह है। सबसे पहले तो मां-पिता को बच्चों पर नजर रखनी चाहिए और उसके व्यवहार में जो बदलाव आ रहा है, उस पर ध्यान दें। इस दिशा में सुधार लाने के लिए कानून के साथ-साथ समाज के लोग भी योगदान दें। अगर आपको कोई बच्चा भूखा या असहाय मिले तो उसकी सहायता जरूर करें। यह बात हाईकोर्ट जस्टिस जीएस अहलूवालिया ने कही। वह शनिवार को एमिटी यूनिवर्सिटी में किशोर अपराध और न्याय विषय पर आयोजित नेशनल सेमिनार में बोल रहे थे। इस मौके पर ग्वालियर रेंज के आईजी राजाबाबू सिंह, सुप्रीम कोर्ट के वरिष्ठ अधिवक्ता बालासुब्रमण्यम, यूनिवर्सिटी के कुलपति वीके शर्मा मौजूद रहे।

सेमिनार में लोगों को संबोधित करते जस्टिस जीएस अहलूवालिया।

सोशल मीडिया कंटेंट पर रखें नजर

सेमिनार में आईजी राजा बाबू सिंह ने कहा कि 2017 के मुकाबले 2018 में ग्वालियर में बाल अपराध बढ़े हैं। 2018 में 379 बाल अपराध दर्ज हुए जबकि 2017 में 345 और 2016 में 173 मामले दर्ज हुए। बाल अपराध की वजह के कई कारण हैं। इनमें सोशल मीडिया कंटेंट, हिंसात्मक वीडियो गेम, गरीबी, अशिक्षा, अकेलापन, सही गलत का फैसला करने में असमर्थता शामिल है। इसलिए सोशल मीडिया कंटेंट पर नजर रखें। इस मौके पर अन्य वक्ताओं ने विचार रखे।

एमिटी विवि में सेमिनार का आयोजन

ग्वालियर। एमिटी विश्वविद्यालय में जुबेनाइल डिलाइक्वेंसी एंड जस्टिस विषय पर राष्ट्रीय सेमिनार का आयोजन किया गया। जिसमें मुख्य अतिथि के रूप में पुलिस महानिरीक्षक ग्वालियर संभाग राजाबाबू सिंह मौजूद रहे। उन्होंने संबंधित विषय पर व्याख्यान दिया और छात्रों का मनोबल बढ़ाया।
