Celebration of 6th International Yoga Day on 21st June 2020

Online Yoga session was conducted for Faculty/Staff/Students of AUMP on regular basis

Good Health is the wealth of every human being. But this wealth of a person depends on individual, social and environmental factors. Along with social or environmental factors to a large extent, we can also develop a better immune system and a better perception of ourselves so that other conditions do not affect us adversely and we can achieve good health. Health is a positive concept. Good health does not mean merely freedom from disease, but, it also includes a jubilant and energetic feeling of well-being with a fair amount of general resistance and capacity to easily cultivate immunity against specific offending agents.

Yoga is one of the most powerful drugless systems of improvement and treatment. It is having its own concept of wellness which has been scientifically understood and presented by many since the time immemorial. Yoga can be adopted as lifestyle for promoting our physical and mental health. The aim of yoga, thus, is to encourage a positive and healthy lifestyle for physical, mental and emotional health of Faculty, staff and students.

With this objectives, we have organized different activities for spreading knowledge of yoga amongst the faculty, staff and students of AUMP at particular and society at large and celebrated International Yoga Day on Sunday, 21.06.2020 with great enthusiasm and delight.

The list of events organized to celebrate the International Day of Yoga is as under: -

1. Yoga session for Faculty/Staff/Students on regular basis.

A regular yoga training was organized with the help of Microsoft Teams platform from 11th May 2020 to 8th June 2020 on every **Monday and Friday between 8:00 a.m. to 8:45 a.m.** The training was attended by the students, faculty members and staff members of AUMP with great passion. The training focused on the asanas and pranayaam techniques for improvement of physical health, mental concentration; mind and body harmony.

Various yogic exercises and asanas were demonstrated by the Sports Officer Mrs. Bhumika Singh Kushwah. The yoga asanas were practiced by those who were present on the occasion.

1. “Expedition of Yoga”

This year, considering the COVID-19 outbreak, we conducted an Online event “Expedition for Yoga” on 18/06/20 and 21/06/2020 as per following details-

June 12, 2020	Announcement of “Expedition for Yoga” and Registration	Circulation of E-brochure through online mode of
June 18, 2020 (Timing- 10.00 AM to 11.30 AM)	Yoga performance by participants	Live performance of Yoga by participants

University Madhya Pradesh and other universities & colleges of India. Events such as Fashion Show, Motorbike stunt show by TVS, live performance by Anjaan Band and DJ Night performance by Ravator and his team were the center of attraction of AMICHROMA this year. From professional shows to amateur bands, from classical dance to choreography, from competitive events to informal events, the festival has it all with approx. 3100 participation. This huge crowd consisted of 800 participants all around from the different colleges like IIITM Gwalior, ITM University, Jiwaji University, M.I.T.S., IHM College, Prestige college of Management and schools like Greenwood, DPS, LAHS participated in the events.

The Programme started with the registration of participants. Hon'ble Vice Chancellor, AUMP, Lt Gen V K Sharma, AVSM (Retd.). Pro- Vice Chancellor, Registrar HoIs & HoDs of all the departments were present at the inaugural event. Hon'ble Vice Chancellor, AUMP delivered the opening remarks and enlightened the participants with the significance of youth fest and co-curricular activities.

In the youth fest, some of these events were conducted in two days, whereas some of them finished on the same day. The students from AUMP and from different other institutes showed their active participation in various events organized by different departments of AUMP. The two-day event AMICHROMA ended with the Valedictory Ceremony. At the end of AMICHROMA 2020, prizes up to 2 Lakhs, and appreciation certificates were distributed to the participants of the Amity Youth Fest by the Hon'ble Vice Chancellor, Dy. Pro Vice Chancellor, Registrar and HoIs ASET. The event concluded with a DJ Night that allowed the coordinators and participants to relax and rejoice. An enthusiastic response from the students, participants, faculty members was observed during Amichroma youth fest.

Amity University Madhya Pradesh organized its First Convocation Ceremony on Saturday, 29 February 2020. Approximate 2000 persons (to include alumni, students, parents and guests) were seated in the Convocation Plaza, which gave a magnificent look; and was jam packed. The formal ceremony began with the arrival of the Academic Procession that was led by the Pipe Band of 25 Pipers. The University flag was carried by Mr Sharad Iyer of B.Tech (Biotechnology), Semester VIII. He was followed by Mr Shubham Kapoor, an alumnus of Amity School of Engineering & Technology, who carried the AUMP Alumni Flag. Behind him were proud members of the AUMP Alumni Association. The Registrar, Mr Rajesh Jain, led the senior members of faculty, members of University's Statutory Bodies and Senior Officials of the Amity Education Group. They were followed by the Vice Chancellor, who was accompanied by recipients of Honorary Professorship Col R Balasubramanian, Senior Advocate of Supreme Court of India and Mr Sanjay Singh, Communication of Development Specialist, UNICEF Office of MP. Following them was Hon'ble Chancellor & Chairman, Amity University Madhya Pradesh, Dr Aseem Chauhan Ji, who was accompanied by Dr A K Singh, Distinguished Scientist and Director General-Life Science, DRDO Govt of India the recipient of Doctor of Science (Honoris Causa)

The proceedings on the dais commenced with lighting of the lamp of knowledge & wisdom and Saraswati Vandana. Then, the Hon'ble Chancellor & Chairman Dr Aseem Chauhan, declared the Convocation 2020 open.

Over 1963 graduands of various programmes from the class of 2013 to the class of 2019, including Engineering & Technology, Management, Biotechnology, Architecture, Journalism and Mass Communication, Law, Fashion Technology and other domains received their UG, PG and Doctoral degrees during the First Convocation 2020. 70 Gold Medals, 70 Silver Medals and 67 Bronze Medals were bestowed on the top rankers. 16 students were awarded PhDs, 14 students were awarded Best All Round Performance awards for the years 2018 and 2019 and 14 stu

with Shri Baljit Shastri Awards for the years 2018 and 2019 at the convocation.

In his address Lt Gen V.K. Sharma, AVSM (Retd), Hon'ble Vice Chancellor Amity University Madhya Pradesh informed the gathering about the achievements of faculty and students. He assured the audience that the march of AUMP on the path to excellence continues as our commitment to pursuit of excellence is unconditional and total. The Hon'ble Vice Chancellor called upon the graduands to be a lifelong learner and to learn new processes, technologies and from the renowned people in their respective fields. He opined that the students are the new generation of professionals equipped with immense knowledge and capabilities so they must exhibit high morals in professional and personal lives to build a strong nation.

In his address to the august gathering, Dr. Aseem Chauhan, Hon'ble Chancellor & Chairman, Amity University Madhya Pradesh said that it's a historical day and a joyous moment to celebrate the saga of success of a young university. He confirmed his belief that Amitians are going to change the world in future with behavioural, technical and soft skills being taught to them at AUMP. The Hon'ble Chancellor & Chairman urged the graduands to be grateful to all the people who have contributed to their growth and success. He gave a formula of GREAT to the graduands for being successful in their lives, G – Global thinking beyond regional boundaries, R – Resilience, grit and strength to bounce back from the ground, E – Entrepreneurial thinking, taking calculated risks and innovating at every step, A – Adapt to change and T – Technology like AI and data science to be used in life. Expressing his hope for the future generations, The Chancellor & Chairman said that India is going to be one of the front ranking nations in the world and the students have ample opportunities as Amitians to contribute to nation building.

On this occasion an eminent Scientist, Dr A. K. Singh, DS & DG (Life Sciences), DRDO, Govt of India was conferred with

Science, *Honoris Causa*, by Hon'ble Chancellor & Chairman, AUMP, Dr Aseem Chauhan.

While expressing his gratitude to the University for bestowing honour upon him, Dr A. K. Singh, DS & DG (Life Sciences), DRDO, Govt of India congratulated the graduands, their parents and family members for being a part of such a glorious occasion. Motivating the graduands, he asserted that technologies like AI, IoT and Healthcare are the future trends in the growth of any organization. He further asserted that there is no end to gathering knowledge. The students should always keep learning because learning will give inner strength.

Col R Balasubramanian VSM (Retd), Senior Advocate, Supreme Court of India and Shri Sanjay Singh, Communication for Development Specialist, UNICEF, Office for M.P were conferred upon Honorary Professorship Degrees in Law and Social Development respectively.

In his acceptance speech Col R Balasubramanian, VSM (Retd), Senior Advocate, Supreme Court of India expressed his gratitude for the Honorary Professorship and told the students that whatever they have learnt at Amity, they will radiate that energy to the whole world. He also congratulated the graduands for their achievement.

Accepting the honour Mr Sanjay Singh expressed his wish to work in collaboration with Amity University Madhya Pradesh in setting up Kailash Satyarthi Center for Child Rights & Development at the University and said that he was proud to be a part of this momentous celebration.

Also gracing the occasion were Ms Divya Chauhan, Hon'ble Chairperson, Amity Art Foundation, Hon'ble Shri Ajay Chauhan Ji, Trustee, RBEF, Miss Samaya Chauhan, Miss Samara Chauhan, Master Adhiraj Chauhan, Master Aryavardhan Chauhan, Dr RM Sharma, Principal Chief Advisor to Founder President, Dr (Mrs) Balvinder Shukla, Hon'ble Vice Chancellor, Selvamurthy, Hon'ble Chancellor, AUC and P

The first Convocation at Amity University Madhya Pradesh was a grand event of celebration and glory, a memorable event in the life of graduands who went down the memory lane along with their parents and family members. The Amitians will always cherish the exhilarating moments of reunion with the classmates and the time spent at their Alma mater. The graduands from UG, PG and Doctorate programmes, donned in beautiful robes and scarves were a mesmerizing sight to behold.

As a custom, the Amity Alumni Flag was handed over to the student representative of next batch by Mr Shuham Kapoor to Mr Harshit Agrawal, an alumnus of Amity Institute of Biotechnology. Following this, the Convocation 2020 of Amity University Madhya Pradesh was declared closed by the Hon'ble Chancellor & Chairman AUMP, Dr Aseem Chauhan.

After the main Convocation Ceremony, the degrees were distributed to the following five different venues of the University:-

Students of ASET and AIB – Main Convocation Stage

Students of ABS – Auditorium, Academic Block 'B'

Students of ALS and ASFDT – Moot Court, Academic Block 'B'

Students of ASCO– ASCO Studio, Academic Block 'B'

Students of ASAP and AIBAS – Seminar Hall, Academic Block 'C'

The whole event was a cherish moment of all graduands & their parents and it was a great success.

The 71st Republic Day was celebrated in all its solemnity and grandeur at Amity University Madhya Pradesh Gwalior on 26th January 2020.

The National Flag was unfurled by the Hon'ble Vice Chancellor AUMP, Lt Gen V K Sharma AVSM (Retd) to the tune of the National Anthem and with this the festivities of this auspicious day commenced. Highlighting the significance of this glorious day in his address to the gathering, the Hon'ble VC expressed his gratitude towards the freedom fighters and soldiers who sacrificed their lives for the nation. He opined that unity in diversity is a unique trait of our country and it's the duty of every Indian citizen to protect our National flag and emblems. He urged the students to fulfil their fundamental duties for the betterment of the country.

The Hon'ble VC emphasized upon the role of education in grooming the students to contribute towards making our country a Super Power. Saluting the Indian women, he said that we must acknowledge the contribution of women in the GDP of our nation and in our daily lives as they are the homemakers. Inspiring the students, the Hon'ble VC also talked about the importance of integrity, discipline, time management for achieving goals and targets in one's life. Laying emphasis upon physical and mental health he urged the young Amitians to keep themselves fit as a healthy mind resides in a healthy body. Concluding his address, the Hon'ble VC talked about his vision of seeing India as a Superpower in time to come.

The Hon'ble Vice Chancellor's address was followed by rendition of a patriotic song by Mansi Shrivastava- CSE IV Sem, Anushka Singh - BJMC IV Sem and Ayush Wasan of B Pharma IV Sem which aroused patriotic fervor amongst the students, staff, members of faculty, Heads of Schools and Departments present on the occasion.

A few games namely One Leg Hooping Relay Race, Ball relay, Ball in the bucket and Pick the glass in male and female categories were organized on this day to boost the morale of students. The participants were heartily cheered by

Amity University Madhya Pradesh Organised 'SCI-ART2019' Science and Art Competition

Sci-Art 2019 inaugurated by Shri Vivek Narayan Shejwalkar, Hon'ble Member of Parliament

Amity University Madhya Pradesh, Gwalior organized “Amity Science & Art Expo 2019 (SCIART 2019)”

Amity University Madhya Pradesh organized a Two Day Mega Event SCI-ART 2019 on 21 and 22 Dec 2019. The Sci-Art 2019 provided a platform to school students to showcase their talent, creativity, innovative ideas and application of learning in the realms of Science and Art before a galaxy of learned scientists, professionals academicians and peers. The event was inaugurated on 21 Dec 2019 by the Hon'ble Member of Parliament Mr Vivek Narayan Shejwalkar, with the cutting of the ribbon and release of balloons. The Hon'ble Chief Guest, escorted by the Hon'ble Vice Chancellor and other dignitaries spent considerable time viewing the exhibits and interacting with the participants.

The SCI-ART Exhibition/ Competition received overwhelming response with teams participating from across 03 states of India, a total of 761 Exhibits (136 from Science and 625 from Arts), 53 Participating schools and 1200 school students. The exhibits were evaluated through a rigorous two tier process. On the first day a panel of In-house Experts short listed 50 entries each from Science and Art. On the final day a panel of eminent experts evaluated the top 100 winners. The evaluation was followed by the Valedictory Ceremony which was graced by Distinguished Scientist and Director General Aero DRDO, Cdme Saroj Kumar Patel a

Amity University Madhya Pradesh, Gwalior celebrated its ninth Raising Day with great fervour and joy on 19th Sept 2019. The occasion was graced by the benign presence of Hon'ble Chairman AUMP and Additional President RBEF, Dr. Aseem Chauhan. Also present were Vice President RBEF, Dr. J. Girish, Hon'ble Vice Chancellor, AUMP Lt Gen V K Sharma, AVSM (Retd.) and Ms. Manju Singh, Principal, Amity International School, Gwalior, all the HoIs, HoDs, members of faculty and staff and the entire body of students. . The festivities of the day began with invocation of Goddess Saraswati and lighting of the ceremonial lamp by the dignitaries. Hon'ble Vice Chancellor welcomed the dignitaries by offering them a sapling each. This was followed by the presentation achievement of the University for the year 2018-19 presented by Hon'ble Vice Chancellor AUMP. Revisiting and reconnecting with continuing journey of the University he apprised the audience about the achievements of the students and faculty in different fields as well as the recognitions received by Amity University Madhya Pradesh at National and State levels.

The anniversary issue of "The Amitian", the monthly newsletter of AUMP, was also released on this occasion. Following this, Hon'ble Chairman Dr. Aseem Chauhan, Hon'ble Vice Chancellor Lt Gen Sharma along with Dr. J Girish and other dignitaries gave away the Academic Excellence Awards for the session 2018-19 and also the Dr. Ashok K Chauhan 100%, 50% and 30% Scholarship Awards for the session 2019-20.

"Parwaz" – a cultural show was presented by the students of AUMP as an expression of their joy and enthusiasm. This was followed by the address of Hon'ble Chairman who expressed his confidence in the talent of the Amitians. Sharing the dream of Dr Ashok K Chauhan, our beloved Founder President, he urged each Amitian to have a dream in life and work tirelessly towards it. He also invited five students to express their views on the occasion and was very happy to see their confidence and communication skills.

Hon'ble Vice Chancellor, Lt Gen V K Sharma AVSM (Retd), presented mementos to Hon'ble Chairman, Dr Aseem Chauhan, to Dr J Girish and to the Principal, AIS Mrs Manju Singh. The programme ended with the vote of thanks proposed by Prof (Dr) R S Tomar, Dean Academic.

The ceremony started with the arrival of Hon'ble Vice Chancellor, AUMP, Lt. Gen. V.K. Sharma AVSM (Retd.), Pro Vice Chancellor Prof. (Dr) M P Kaushik and other dignitaries. The sportsmen and women who had participated with zeal and vigour in the myriad sporting activities then marched past ceremonially to mark the closing of Sangathan 2019 at AUMP. This was followed by the presentation of Sangathan 2019 Report, briefing the audience on the events, medals, points tally and other details. The audience were informed that 15 events including Cricket, Basketball, Volleyball, Kabaddi, Chess, Athletics, Football etc. were held. Both boys and girls of the University participated enthusiastically in these games and bagged around 550 medals.

There was a short cultural programme in which first there was a demonstration of Martial Arts for Self Defence and was followed by a dance performance wherein the students paid homage to Makaal of Ujjain. Then a lively tug of war was organized for faculty and staff of AUMP.

The Hon'ble Vice Chancellor also addressed the students on the occasion . He said that "Sports is an integral part of student's life. The students should pursue sports as a hobby and passion and stay fit." He further stressed that participation is more important than winning or losing. The VC showed his happiness on a huge participation of girls in all the events. Finally he concluded his address by motivating the students, "Be in competition with yourself. Be the master of your own destiny."

The Hon'ble Vice Chancellor Lt. Gen. V.K. Sharma, AVSM (Retd.) gave away the Gold, Bronze and Silver Medals to the students and faculty members.

Introduction Party 'Melange 2019' on 18 October 2019. One of the most awaited events of the year, 'Melange 2019' aimed at welcoming the newcomers in a friendly atmosphere, encouraging their creative impulses and boosting their confidence, while fostering a healthy bond between the juniors and the seniors.

Adorned in graceful and vibrant attires, the fresh entrants congregated in the University grounds. The evening was full of festivities, pulsating with the enthusiasm of the students. The event started with a performance of Ami Band. The showcase of extraordinary talents by students in different genres like Ramp-walk, singing and dancing left the crowd enchanted. The crowd stood mesmerized over the rhythmic song tracks and melodious vocals by students of first year. Adorned in their magnificent attires, the students looked stunning as they gracefully and confidently walked the ramp during the Fashion Show. The time honoured tradition of selection of Mr. and Ms. Fresher was continued where, on the parameters of grace, style and intelligence, Yashwardhan Dixit (ASET) and Sakshi Rohra (ABS) were crowned as Mr. Fresher and Ms. Fresher of 2019 respectively. The winners, along with other performers of the evening were felicitated by the Hon'ble Vice Chancellor, AUMP, Lt Gen V K Sharma, AVSM (Retd.) along with Pro Vice Chancellor Prof. (Dr.) M. P. Kaushik. The evening culminated with an open-to-all dance floor to the accompaniment of a DJ, leaving the students wrapped up in vivacious dance, music and fun.

**Amity University Madhya Pradesh Celebrates
73rd Independence Day
on 15th August 2019**

Amity University Madhya Pradesh celebrated the 73rd Independence Day of the Country with patriotic zeal and spirit on 15th August 2019 and remembered with gratitude the sacrifice of the freedom fighters.

The celebration commenced with the hoisting of the National Flag by the Hon'ble Vice Chancellor AUMP, Lt. Gen. V.K. Sharma, AVSM (Retd). This was followed by the singing of the National Anthem. On this occasion Hon'ble Vice Chancellor addressed the Amitians and congratulated the Amity family on the 73rd Independence Day and urged everyone to be diligent in performing their duties. He pointed out five major deterrents to Nation building: Spirit of tolerance, Brotherhood, Integrity, Discipline and Hard work, so that India becomes economically strong to emerge as a world leader in the near future. He also motivated the students to be independent in terms of learning, as knowledge is not restricted to classrooms.

Following this, all Amitians pledged to contribute to plant the trees for making the environment green and clean. Various cultural programs were a part of celebration of the Independence Day which included Patriotic songs and Group dance by the students of AUMP.

Prizes were also given away by the Hon'ble Vice Chancellor Lt. Gen. V.K. Sharma and Pro-Vice Chancellor Prof. (Dr) M. P. Kaushik, to the winners of Essay Writing, Elocution, Selfie and Poster making Competition organized under the 73rd Independence Day Mahotsav.

Participants of fashion show during Ramp Walk

Amity University Madhya Pradesh organized Amity Youth Festival 2K19: AMICHROMA

Preface

Amity University Madhya Pradesh organized Amity Youth Fest 2K19. Amity Youth Fest is an annual gathering of students from AUMP, other Universities, colleges and schools of India. From professional shows to amateur bands, from classical dance to choreography, from competitive events to informal events, the festival has it all with 3100 participating students. Events such as Parliamentary Debate, Fashion Show, Snooker, Motorbike stunt show by TVS and EDM Night performance by George Leon and his team were the centre of attraction of AMICHROMA this year.

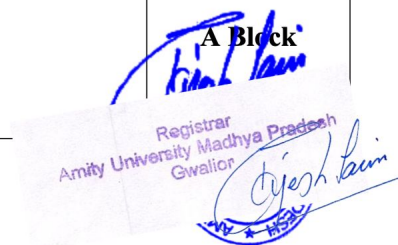

Inaugural Session: 12 February 2019

The programme started with the registration of participants. The inaugural session started with the reception of Chief Guest Hon'ble Vice Chancellor Lt Gen V K Sharma, AVSM (Retd.) and Pro-Vice Chancellor Prof. (Dr.) M. P. Kaushik. Thereafter, Hon'ble Vice Chancellor AUMP, Lt Gen VK Sharma, AVSM (Retd.), delivered the opening remarks and enlightened the participants with the significance of youth fest and co-curricular activities. He further highlighted that this is to make a platform for the students to showcase their talent in different streams. He also pointed the objective of the Youth Fest which is to bring together the students from diverse fields, to promote innovative ideas and to facilitate inter-disciplinary exchange of ideas and information by encouraging team work spirit within the students volunteer. During the inaugural event, Pro-Vice Chancellor Prof. (Dr.) M. P. Kaushik, Director ASET Maj Gen (Dr) SC Jain, VSM** (Retd.), Deans, all HoI's, HoDs and staff members of all the different schools and departments within the AUMP were present.

The numbers of registrations were 3100 for all the events. The list of events has been presented in Table 1. The following were the events of the fest organized by the different institutes of AUMP:

MELANGE 2019 to Welcome the Fresh batch of Amitians

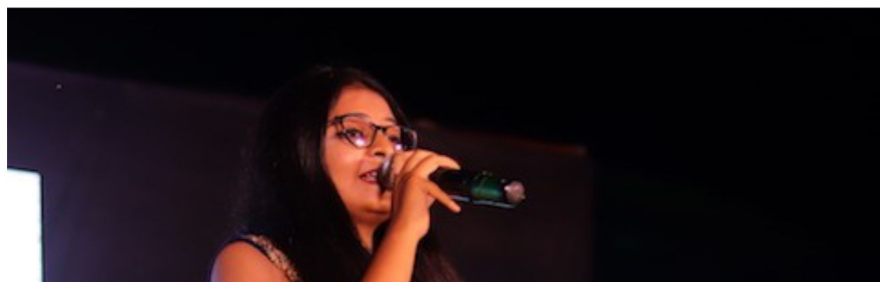

Signature

Amity University Madhya Pradesh extended a warm welcome to the fresh batch of the Amitians by organizing its Annual Introduction Party 'Melange 2019' on 18 October 2019. One of the most awaited events of the year, 'Melange 2019' aimed at welcoming the newcomers in a friendly atmosphere, encouraging their creative impulses and boosting their confidence, while fostering a healthy bond between the juniors and the seniors.

Adorned in graceful and vibrant attires, the fresh entrants congregated in the University grounds. The evening was full of festivities, pulsating with the enthusiasm of the students. The event started with a performance of Ami Band. The showcase of extraordinary talents by students in different genres like Ramp-walk, singing and dancing left the crowd enchanted. The crowd stood mesmerized over the rhythmic song tracks and melodious vocals by students of first year. Adorned in their magnificent attires, the students looked stunning as they gracefully and confidently walked the ramp during the Fashion Show. The time honoured tradition of selection of Mr. and Ms. Fresher was continued where, on the parameters of grace, style and intelligence, Yashwardhan Dixit (ASET) and Sakshi Rohra (ABS) were crowned as Mr. Fresher and Ms. Fresher of 2019 respectively. Weekly Campus update for the w/o 05th – 09th August, 2019

09th August, 2019 (Friday)

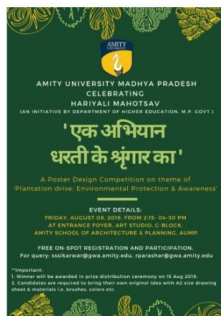

Poster Design Competition to Celebrate the occasion of Hariyali Mahotsav

As per the directives of the Department of Higher Education, Govt. of Madhya Pradesh, Amity University Madhya Pradesh is celebrating a three week long Hariyali Mahotsav with the theme “**Ek Abhiyan Dharti Ke Shringaar Ka**”.

Under this event, Amity School of Architecture and Planning, AUMP, organized a **Poster Design Competition** on the topic Plantation Drive: Environmental Awareness & protection under the main theme “**Hariyali**” (The Greenery), on Friday, 09th August 2019. The medium for Poster Designing was Poster/Pencil/ Pastel colours, on A2 size drawing sheet. The students were briefed to make the posters on the theme of **Plantation Drive: Environmental Awareness & protection**. 42 students participated in this event. The competition was held in the Art Studio (Architecture) from 2.30 PM to 4.30 PM.

The topic being highly connected to the depleting Greenery in our country which resulting the choking of overall environment and reduction of availability of oxygen the life line for all living being on the planet Earth. The students tried to show their concern by way of poster designing. While participating in the competition, the students got an opportunity to introspect the role of environment in their lives and their duty towards preservation of Greenery. This fulfilled the objective with which the event was organized – sensitizing the students and the masses in general about conservation of nature.

The winners of the competition were: I Prize - Ms. Garima Bhargava (B. Arch VII sem), II Prize – Tanya Agarwal (B.ID. V sem) and III Prize – Ms. Arya Jain (B. Arch III Sem.)

OF

DESIGN FOR ALL- COMPETITION

Organised by

Amity School of Architecture & Planning, AUMP Gwalior

23rd September, 2019

General:-

1. Amity School of Architecture & Planning organized Design for All- Competition on 23rd SEPTEMBER 2019 from 9:15 am to 5:15 pm at Block C, Art Studio. The students of III and IV B. Arch. actively participated and designed the projects. From Amity School of Architecture & Planning, 35 students participated. The students were distributed in 14 groups and executed the presentable drawings. The students presented their design ideas and discussed the solutions for problems faced by specially abled people, elderly people and vulnerable section of society, in day to day life activities. The competition is conducted by Ar. Ashish Sharma, Ar. Monika Shekhar Gupta and Ar. Sudheer S. Sikarwar, ASAP under the guidance of Prof. L.K. Jain, Director ASAP. The Design for All- Competition, aims to make the students aware of social issues and be a part of the solution in fulfilling the dream of creating sustainable and accessible cities and to make them confident to present their design ideas.

Objectives: -

- To understand the problems faced by specially abled people, elderly people and vulnerable section of society, in day to day life activities.
- To understand the social issues and be a part of the solution.
- To make the students execute the work in a time limit.
- To make understand the basics of architectural designing.
- To make understand the stages of architectural design.

Pre – Competition Outcomes

2. Tangible Outcomes:-

- (a) 35 Students registered for the competition.
- (b) Total registration amount of Rs. 7000/- collected.

3. Intangible Outcomes:-

- (a) Students learn how to present their design ideas
- (b) To understand the social issues and be a part of the solution.
- (c) To understand the problems faced by specially abled people

Post Competition Outcomes

During Competition Outcomes

4. Tangible Outcomes:-

- (a) Students learned how to work in a group and the value of team effort.
- (b) How their ideas can make an impact on the future of society.

Intangible Outcomes

- (a) Students learn how to explain the design ideas.
- (b) To solve the real life problems and contribute to built inclusive society.

Post Competition Outcomes

5. Tangible Outcomes.

- (a) Prepared 14 design solutions on drawing sheets.
- (b) Presented design ideas in groups in front of jury and interacted with professional architects.

Post Competition Outcomes

6. Learning outcomes:-

Students learnt how to express the design ideas in physical form and make understandable about the form, material and spaces etc.

7. Impact on the students:-

The department has a vision of “learning beyond the classrooms” which boosted confidence in the students to work into creative environment and inculcating eye-opening experience.

The workshop has harvested seed of hope to deal with ground realities and increased interest in understanding the design.

The learning techniques have enhanced student’s knowledge and increased passion for preparing and explaining design through presentation drawings.

THREE DAYS MURAL MAKING WORKSHOP

Organised by

Amity School of Architecture & Planning, AUMP Gwalior

29-31 January, 2020

General:-

1. Amity School of Architecture & Planning has organized a three-days mural making workshop from 29 January -31 January 2020 at AUMP Block C, art Studio. Workshop was for the students of 1st year, 2nd year & 3rd Year batches of B.Arch & B.Id. Students have actively participated and executed various products from clay, wall putty & P.O.P.

The Aim was to do a hands-on workshop for budding architect's and interior designers and teach them about preparing Wall Mural. Putty is used widely in the construction industry by interior designers and Architects..

Total 40 Students from the Architecture Department & faculty from AUMP has participated with full enthusiasm. The event was commenced under the guidance of Prof. L.K Jain and event coordinated by Ar. Siddharth S. Jadon & Ar. Kamlesh K. Verma, resource person from Environmental Planning Coordination & Planning, Bhopal. The aim of the workshop has been fulfilled to its best by educating the students about the properties and characteristics of Wall Putty, Clay & P.O.P which makes it unique to work for preparing wall mural.

Objectives: -

- To learn how to prepare wall mural.
- To learn the process of clay backing.
- To learn the process of P.O.P casting, moulding and baking
- To interact with a Mural Expert and understand the techniques.
- Complete hands on work Experience.
- To prepare a Klin for baking clay sculptures.

Pre – Competition Outcomes

1. Tangible Outcomes:-

- a) Students understand the term mural and its type. The workshop aims is to make the students understand the properties, potential and work efficiency of putty over the wall surface
- b) The entire process encouraged the students of effective use of wall putty to create a mural.
- c) Rs. 10200 total budget was sanctioned for the event out of which Rs. 5100 was provided by the AUMP & Rs. 3200 was collected from the students. The registration fee for students from AUMP was Rs 80 & for outsiders it was Rs. 300.

2. Intangible Outcomes:-

- a) Students have learned and gained knowledge about various aspects of Wall Putty, Clay & P.O.P.
- b) Workshop has enhanced creativity in students.

During Competition Outcomes

1. Tangible Outcomes:-

- a) During the workshop students & faculty from other department participated & prepared 21 Ganesh Idol & 8 wall mural of size 3'x4'.

2. Intangible Outcomes:-

- a) The workshop provided the students with a platform to share their ideas with each other, to put across their ideas for making an object from a given material.
- b) The workshop resulted in knowledge sharing and establish a good bond between seniors and juniors.

Post Competition Outcomes

1. Tangible Outcomes.

- a) 21 Ganesh Idol & 3 sculptures were prepared and displayed.
- b) 8 wall mural were prepared by the students.
- c) In this workshop, students have learned to prepare the putty mix and to apply on the wall surface.
- d) The outcome was in the form of students' creative work which is displayed in the form of creative murals made on Plyboard.

2. Intangible Outcomes

- a) The Students have the capacity to further prepare clay murals and incorporate it in their academic projects.

Learning outcomes:-

During the workshop, the stress was on the properties and workability of Clay, P.O.P & Wall putty. Clay is the most sustainable material in the world; also it is affordable, easy to work with and has a very low carbon footprint. It is known to be a material of the people and can be used for basic self-construction project. The aim is to teach the students how to become experts at working with Clay, P.O.P & Wall Putty. The students have learned and became confident to design and create murals. Clay gives a vast opportunity to design innovative products. By the use of clay, we create products and sculptures that can be used in interiors and exteriors. Also the students have learned the proportion of mixing clay and water in Mural making, basics of klin making and the baking process. Lastly this workshop has helped the students to transform their thoughts into three dimension figures.

Impact on the students:-

The department had a joint venture of the collaboration of all the batches working together, acting as “helping hands” and “learning beyond the classrooms” which boosted confidence in the students to work into any environment and inculcating eye-opening experience.

The program has harvested seed of hope to deal with ground realities in execution, management and spontaneous decision making for making the project successful.

The learning techniques have enhanced student’s knowledge and increased passion towards working with clay as a building material.

Weekly Campus update for the w/o 03rd – 07th February, 2020

06th & 07th February, 2020 (Thursday & Friday)

WALL GRAFFITI ART WORKSHOP to spread the message of “Women Empowerment”.

Amity School of Architecture & Planning organized a two-day wall graffiti art workshop on 06th, February 2020 and 07th, February 2020. The students of 3rd and 4th year from B. Arch actively participated in wall painting and creating a beautiful graffiti on the compound wall of Girl's Hostel in Jiwaji University Campus.

From Amity School of Architecture & Planning, 28 students participated. The students together fabricated the beautiful composition on the wall and showcased their artistic capabilities and flair. The graffiti painted on the wall expressed the women empowerment through the symbolic meaning of triangle around the girl's face representing strength and the flowers indicating the delicacy of the women and overall composition expressed the strength of femininity beyond their tenderness. The students learnt the importance of principles of design and basics of art & architecture through hands-on experience. The workshop is conducted by Ar. Siddharth Mishra, Asst. Prof., Ar. Kinzalk Singh Chauhan, Asst. Prof., Ar. Manish Kumar Chitranshi, Asst. Prof. and Ar. Gaurav Kaushik, Asst. Prof. ASAP under the guidance of Director ASAP, Prof. L.K Jain. The wall graffiti art workshop aims to make the student understandable about the importance of art & architecture and their co-dependence in the face of reality through execution of the design principles.

The graffiti came out as it was planned with a strong message through the expression of art by the students. This wall will act as a message to the society about women empowerment and will give exposure and attention to a cause. This workshop was able to help students to enhance their concepts of art and architecture through on-ground realities and increased interest in understanding the design. The learning experience have enhanced students' knowledge and increased passion for preparing and explaining design through artistic visions.

Outcome Report (Event/Activity Organised @ AUMP)

1. General Information

1.1 Date: 8th May, 2020
 1.2 Event Type: Expert Lecture: ASAP, AUMP
 1.3 Event Title: Culturally Responsive Built Environment.
 1.4 Venue: Through Online session via Cisco Webex.
 1.5 Organised by(School): ASAP, AUMP

1.6 Student Participation*: No. of Students from AUMP (Course wise): Registered – 171, Total attendees -117, 63 students attended from B. Arch, B.ID (ASAP)

1.7 Faculty Participation*: No. of Faculty Members from AUMP (Deptt. wise): 8 (+01 moderator)
 Faculty from ASAP participated

1.8 Participation from outside AUMP*: 45 Students & Faculty Members.

1.9 Event Coordinator(s) with designation: Prof. L.K Jain, Director ASAP, AUMP and faculty coordinator and moderator Asst. Prof. Siddharth S. Jadon, ASAP, AUMP.

1.10 General Introduction of the Event

To build the foundation and re-orient the students to use systems thinking and through interdisciplinary methods for bringing under one umbrella together the scientific, ecological, technological, and political dimensions of the subject of culturally responsive Built Environments.

1.11 Objectives of the Event

- The objective of this session was to introduce Cultural Discourse in Built Environment Theory, Research, Practice and Education to the students.
- To build the foundation and re-orient the students to use systems thinking and through interdisciplinary methods.
- To bring under one umbrella together the scientific, ecological, technological, and political dimensions of the subject of culturally responsive Built Environments.

2. Details of Expert/Speaker/Resource Person/Judge:

3. Outcome of the Event with Time Lines (Proposed/Achieved) (PI fill the relevant rows)

Envisaged Outcome	Tangible/ Intangible	Achieved/ Proposed	Target date & responsibilities (if proposed)	Details of outcome
I. Outcome related to Academia Connect				
a) Collaborations for Research Papers/Conference Papers/ Book Chapter etc.	No	yes	Yes	Faculty may publish research papers in conferences etc
b) Collaborations & MOU for Research Guidance [PhD, PG & UG (summer training, Dissertation)] & Projects/Use of Instruments etc.	Yes	One of the faculty member is doing phd under co-supervision of the IITR faculty	NA	The phd completed and being submitted within one month
c) Collaboration for Funded Projects	NIL	NIL	NIL	NIL
II. Outcome related to Industry Connect				
a) Placement	Apprised students about the impact of Culture on Architecture	Students will join for higher studies at IITR	During the next few years	The collaboration with IITR will help the students in making a strong foundation for their career
b) Collaborations for Research Papers	The speaker shared his email id with the participants and gives invitation to do research on the topic Culturally Responsive Architecture.	Will work upon the culturally responsive built environment.		
c) Collaborations & MOU for Research Guidance [PhD, PG & UG (summer training, Dissertation)] & Projects/Use of Instruments	Aimed to analyze and combine the two educational strands of theory—skill-based education for sustainability and culturally relevant education	Combined framework: culturally relevant, skill-based design built environment for sustainability.		
d) Collaboration for Funded Projects	No	No	No	No
III. Outcome related to Society Outreach				
a) Benefit to society in terms of Health & Hygiene	The students using the thus acquired knowledge in designing the culture friendly designs.	It will be achieved in due course of time	NA	Cultuarrrl active design will provide the healthy and hygienic environment
b) Benefit to society in terms of Education	The study developed a theoretical framework that combined both strands of educational theory, creating one framework titled: Culturally Relevant, Skill-based Education for Sustainability. In addition, this programme investigated practical applications of this framework in the classroom in order to serve as a resource for teacher.	This study considers how culturally relevant education can support and enhance this skill-based education for sustainability in order to prepare students from ALL cultural backgrounds for an active role in our future.		Learn to teach these skills in a way that is culturally relevant to our students, students from culturally diverse communities can also enrich the repertoire of skills for culturally built environment.
IV. Outcome related to Students Learning & Grooming				
	The aim of the session was to make the students aware and motivate to in cooperate Dimensions of culturally	Students became aware and understood the culturally responsive design and its impact on	Students learned the conceptual skill set for enhancing their design by incor, cultural design.	Understood the parameters to design the or the

Students become sensitive towards the responsibility of an architect for the society and keeping cultural understanding while designing a space for the post disaster areas.

4. Event Report along with glimpses of the event(Photographs)**4.1 Brief about the address/talk of speakers**

- i. Dr. Ramsatheesh started with how to adjust oneself as per environment by giving example of a movie where Man evolved techniques for survival by adopting Agricultural practices. Initially they used to roam around for food but when they started doing farming they got settled and created boundaries for protecting themselves and crops from animals. They started domestication by taming animals like hen, cow and sheep etc.
- ii. He also talked about authority, a form of power, which is integrated with institutional structures of society such as state, church, Private Corporation, school and family. It is marked by the absence of argument; it relies on an unquestioned recognition and compliance.
- iii. He discussed at length about the linkage between culture and the development of built forms. He explained the concept with the examples from the past to the present, the strong relationship and interdependence of culture of the region and the built forms. The typical architectural style of a region is developed due to the cultural activities of the region, as culture is nothing but the way of life.
- iv. With the globalization, due to amalgamation of various kind of culture, a new kind of culture is developed, which also effects the development of the built forms. Due to amalgamation of various types of the architectural styles, prevailing around the various parts of the globe, a new kind of architectural style is developed.
- v. The speaker opined that people's participation and the knowledge of the cultural aspects of the people shall be gathered in the future while designing the built form. The built forms designed without addressing the cultural aspects of the region, the built forms are not worth for the people of the region. The built forms thus designed are not accepted by the people of the region, as they could not develop the sense of belongingness with the built form thus designed.
- vi. Dr Pasupuleti cited the examples of the houses built after the earthquake in Bhuj, Gujrat, which are lying unoccupied by the people of region as these houses were not designed as per the aspirations and culture i.e. living pattern of the people of the region. He said that each ethnic group has the different culture hence requires different built spaces.
- vii. The distinguished speaker also discussed that without tradition, there can no longer be reliance on the accepted norms, and there is a beginning of institutionalization. He concluded his session by discussing

and de-localization: Activities and relationships have been uprooted from local origins and cultures.

- viii. Reflecting on the current scenario, the speaker said that the effect of COVID 19 is strikingly changing the way of living around the globe, which ultimately combining with the regional culture, is going to give rise to a new type of built form and then the new architectural style. One important element in this has been the separation of work from the home and discussed the impact of multinationals on local communities.

Question and Answer Session:

Q. How can architecture reflect culture?

- Saryu Jain, B.Arch, AUMP.

Answer: Architecture is themetically based on culture. It is deeply inspired by the culture exist in particular culture. For example Islamic architecture in which you find minarets, domes, green color based designs straight walls etc. In the same way you can differentiate and identify the architecture of church, which has also domes but church domes are different than the islamic architecture. Whereas Hindu architecture is entirely different. It has high rise in cylindrical shape but narrow down on the top and added with statues on the walls. Lotus, conch swastikas and other such symbols including bells might be the part. So is the Buddhist temples and pagodas.

Q. Is Architecture part culture? - Amit

Answer: I would say buildings with an introduce changes to culture in which they successful. Buildings the ZeitGeist of the architects may or may culture. Those that culture would add to said culture, not posteriori constructs, but helping it to remain stable over time...

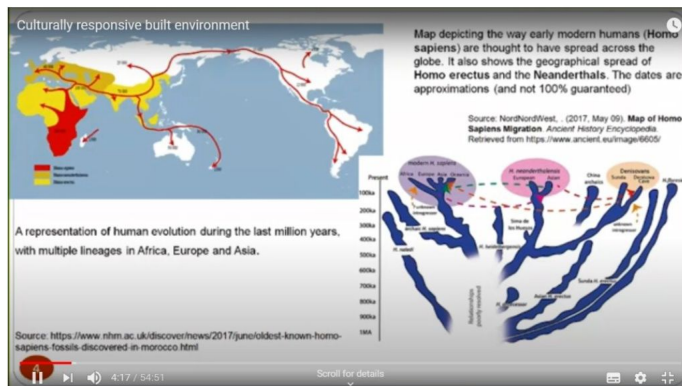

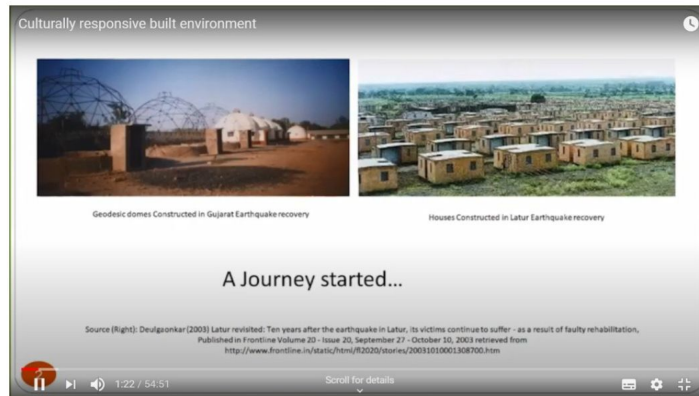

The poster is for an event titled "Culturally Responsive Built Environment" at the Amity School of Architecture & Planning. It features a portrait of Dr. Ram Sateesh Pasupuleti, an Assistant Professor and Coordinator of the Civil Design Lab. The event is scheduled for 08-05-2020 at 2:30-3:30 pm. A graphic of hands of various colors reaching upwards is shown. The poster includes a registration link and a detailed biography of Dr. Pasupuleti, highlighting his international qualifications and research in vernacular architecture and disaster recovery.

Showing Space in a Japanese House.

The internationalization of financial markets, of technology and of some manufacturing and services bring with them a new set of limitations upon the freedom of action of nation states.

Impact of globalization is most felt through the extent to which politics everywhere are now essentially market-driven. 'It is not just that governments can no longer "manage" their national economies',

"understanding of globality and global culture are never static. What we think of as globalization changes from day to day according to different developments; political, technological, economic."

Outcome Report (Event/Activity Organised @ AUMP)

1. General Information

- 1.1 Date: 9th May, 2020
- 1.2 Event Type: Expert Lecture: ASAP, AUMP
- 1.3 Event Title: Disaster Risk Management-Cultural Heritage Site.
- 1.4 Venue: Through Online session via Cisco Webex.
- 1.5 Organised by(School): ASAP, AUMP
- 1.6 Student Participation*: No. of Students from AUMP (Course wise):- 281 registered and 186 attended for lecture
93 students registered and attended from B.Arch & B.ID (ASAP)
- 1.7 Faculty Participation*: No. of Faculty Members from AUMP (Deptt. wise):- 13 registered and attendees from ASAP Faculty members.
- 1.8 Participation from outside AUMP*: No. of Students & Faculty Members- 175 registered and 80 attended
- 1.9 Event Coordinator(s) with designation: Prof. L.K.Jain, Head of Institute ASAP, AUMP, Faculty Coordinator Ar. Siddharth Mishra.

1.10 General Introduction of the Event

The Corporate Connect (CC)/ Expert talk Session conducted during academic session; is the academic-industry interaction of ASAP, This special CC/Expert talk session is conducted on online interactive platform on Cisco Webex app during these Covid-19 work from home situation, an innovative initiation by ASAP, AUMP to keep Architecture and Interior design students aligned and engaged with their academic and Industry Integration/ expert perspective objectives.

1.11 Objectives of the Event

Architect students while designing a project usually ignore the cultural part and the risk Management but in practical for a well functional building it is necessary to design the skeleton and skin of that building and the features according to the location and surrounding. In this Guest lecture the speaker tries to make students understand the meaning and importance of Cultural heritage.

Envisaged Outcome	Tangible/ Intangible	Achieved/ Proposed	Target date & responsibilities (if proposed)	Details of outcome
I. Outcome related to Academia Connect				
a) Collaborations for Research Papers/Conference Papers/ Book Chapter etc.				
b) Collaborations & MOU for Research Guidance [PhD, PG & UG (summer training, Dissertation)] & Projects/Use of Instruments etc.				
c) Collaboration for Funded Projects				
II. Outcome related to Industry Connect				
a) Placement	Apprised students with challenges and methodology of Cultural Heritage and Disaster Risk Management	Students become aware of culture heritage and its importance into days world and the dynamic change.	The intended knowledge of understanding the disaster risk management of sudden situations like in Uttarakhand is an essential tool for designing and development by Architecture students of ASAP. A very necessary skill for effective presentation on placements.	Students have learned the methods of designing, necessary in development of sensitive zones.
b) Collaborations for Research Papers	Cultural Heritage scenarios in India a timeline from years till 2020I, their design policy implication, identified for research.	Students shown interest in concepts like India's transforming heritage	-	The students have learned the fundamental aspects of heritage that have a powerful influence on people's daily choices and behaviors.
c) Collaborations & MOU for Research Guidance [PhD, PG & UG (summer training, Dissertation)] & Projects/Use of Instruments	Dissertation The design strategy for India's sensitive zones through the policy of disaster management are proposed	An outline for conducting Studio Design & Dissertation Report applying the policy of disaster risk management in India's sensitive zones is formulated.	Clarification on how to apply policy of disaster risk management in India's sensitive zones	Students have learned and understood how effectively they can contribute towards finalizing the summer training and dissertation report particularly on Disaster risk management and cultural heritage.
d) Collaboration for Funded Projects	No	No	No	No
III. Outcome related to Society Outreach				
a) Benefit to society in terms of Health & Hygiene				
b) Benefit to society in terms of Education				
IV. Outcome related to Students Learning & Grooming				
	Students understand the meaning and importance of Cultural heritage and their issues.	Students became aware and understood the cultural heritage transformation timeline and the issues, assessment and its solutions through the case of Uttarakhand,	Students learned the uniqueness of cultural heritage in today world; also understand the cultural heritage as it has undergone a marked shift during the last few decades.	Heritage is at risk due to disasters, conflict, climate change and a host of other factors. At the same time, cultural heritage is increasingly recognized as a driver of resilience that can reduce d for e. and

Outcome Report

(Webinar on Architecture - Its Purpose, Art and future @ AUMP)

1. General Information

- 1.1 Date: 2nd June, 2020
- 1.2 Event Type: Webinar: ASAP, AUMP
- 1.3 Event Title: Architecture - Its Purpose, Art and future
- 1.4 Venue: Through Online session via Cisco Webex.
- 1.5 Organised by(School): ASAP, AUMP
- 1.6 Student Participation: No. of Students from AUMP (Course wise):- Registered 214, Attended – 136
Industry - 22, Outside - 56, AUMP Students and students from B.Arch and BID (ASAP)
- 1.7 Faculty Participation: No. of Faculty Members from AUMP (Deptt. wise):- All ASAP Faculty members.
- 1.8 Participation from outside AUMP: No. of Students - 56 & Faculty Members - 12
- 1.9 Event Coordinator(s) with designation: Ar Ashish Sharma, Associate Professor, ASAP, AUMP

1.10 General Introduction of the Event

Amity School of Architecture & Planning, AUMP organized a webinar on “Architecture - Its Purpose, Art and future” This webinar was conducted on online interactive platform, Cisco Webex app. Through this webinar, students of ASAP got an exposure in the practice of Architecture as Profession. The skills required to make an impact on society and giving real time solutions for many problems through their design. This initiative of ASAP proved very helpful in this time of lockdown as the students, while sitting at their homes got a good set of information.

1.11 Objectives of the Event

- To make audience aware about the Architecture as profession.
- To understand the best practices in the field of Architecture & Interior Designing.
- To understand how to approach any design solution using all possible factors of aesthetic and function at the same time.
- To develop a positive Attitude and get success in life.

3. Outcome of the Event with Time Lines (Proposed/Achieved) (PI fill the relevant rows)

Envisaged Outcome	Tangible/ Intangible	Achieved/ Proposed	Target date & responsibilities (if proposed)	Details of outcome
I. Outcome related to Academia Connect				
a) Internship & Practical Training	Students can apply in his firm for internship & Training	An outline for Internship & Training of B.Arch and BID students is being worked out	Students learnt and upgraded their skill required in the field of Architecture as profession.	Students have learnt the requisite skills and expectations from Senior Architects to apply for training and internships to their offices.
II. Outcome related to Industry Connect				
a) Placement	Appraised students on their attitudes.	Students become aware of practices adopted by celebrity Architects	The skill enhancement would help the students in getting trainings and Placements after completion of degree and to excel in profession as well	Students have learnt the requisite skills and expectations from clients as well as Senior Architects as their employer in future.
b) Collaborations for Research Papers				
c) Collaborations & MOU for Research Guidance [PhD, PG & UG (summer training, Dissertation)] & Projects/Use of Instruments	Students can apply in his firm for internship, training and job as well.	An outline for Training & placement of B.Arch and BID students is being worked out	An insight on how to get success in the field of Architecture is attained.	Students have learnt and understood how effectively they can improve their portfolios along with how to create their own style of designing and perceiving architecture.
d) Collaboration for Funded Projects	No	No	No	No
III. Outcome related to Society Outreach				
a) Benefit to society in terms of Health & Hygiene				
b) Benefit to society in terms of Education	Yes	Yes	Yes	The students (part of the society) will become more positive towards profession of architecture.
IV. Outcome related to Students Learning & Grooming				
	Students learnt that how to apply the concept of sustainability, and basic principles of designing like Day	Students have learnt and understood how effectively they can improve their portfolios along with how to	Students learnt and upgraded their skill required in the field of Architecture as	Students explored about how existing natural physical features like Daylight, contours etc can be utilized in the best way.

4. Event Report along with glimpses of the event(Photographs)

4.1 Brief about the address/talk of speakers

- i) In opening remarks, Ar. Ashish Sharma (Moderator), who was one of the panelists, introduced the speaker and spoke in brief about the works, style and achievements of the invited speaker - Ar. Sangeet Sharma. Ar. Ashish Sharma (Moderator) also urged participants to remain attentive during the whole session and be ready with questions at the end of the session.
- ii) Ar. Sangeet Sharma spoke on the Principles of Modernism along with the concept of Architecture as mother of all arts. He discussed the application of many basic principles of design by explaining his own projects as case study. He also discussed several examples of other great architects and their projects like church of light by Tadao Ando etc. He concluded that Architects don't make buildings - they build civilizations.
- iii) The speaker emphasized on
 - a. The using basic design principles.
 - b. The importance of natural elements and sustainability in design.
 - c. The importance
 - d. of keeping an eye on detailing - Aesthetically and functionally.
 - e. The importance and role of Designing Bugs, Cities in solving problems of society.
- iv) The webinar was moderated by Ar. Ashish Sharma (Associate Professor, ASAP). Many questions asked by the students were answered satisfactorily by the speaker.
- v) Prof. L. K. Jain, (HOI & Director, ASAP AUMP) was also present as panellists and appreciated the speaker.
- vi) Prof. L. K. Jain, (HOI & Director, ASAP AUMP) then concluded the webinar.

Outcome Report

(Webinar on Sustainability Narratives for Sustainable Built Environments in Post Covid-19 Conditions @ AUMP)

1. General Information

- 1.1 Date: 25th June, 2020
 1.2 Event Type: Webinar: ASAP, AUMP
 1.3 Event Title: "Sustainability Narratives for Sustainable Built Environments in Post Covid-19 Conditions"
 1.4 Venue: Through Online session via Zoom.
 1.5 Organised by(School): ASAP, AUMP
 1.6 Student Participation: No. of Students from AUMP (Course wise):- Registered 294, Total Attendees – 116, AUMP Students and students from B. Arch and BID (ASAP) - 27
 1.7 Faculty Participation: No. of Faculty Members from AUMP (Deptt. wise): ASAP Faculty members. (11)
 1.8 Participation from outside AUMP: No. of Students and faculty – 67, From Industry - 11,
 1.9 Event Coordinator(s) with designation: Ar Ashish Sharma, Associate Professor, ASAP, AUMP
 1.10 General Introduction of the Event

Amity School of Architecture & Planning, AUMP organized a webinar on "Sustainability Narratives for Sustainable Built Environments in Post Covid-19 Conditions" This webinar was conducted on online interactive platform, ZOOM. Through this webinar, students of ASAP got an exposure on Sustainability Narratives specially in post covid-19 era. The role of Ekistics to make an Sustainable society and giving real time sustainable solutions for many problems through their design. This initiative of ASAP proved very helpful in this time of lockdown as the students, while sitting at their homes got a good set of information.

1.11 Objectives of the Event

- To make audience aware about the sustainability and its importance in society.
- To understand the best practices in the field of Ekistics & Sustainable Designing.
- To understand how to approach any Sustainable design solution using all possible factors of achieving sustainability.
- To develop a positive Attitude and get success in life.

2. Details of Expert/Speaker/Resource Person/Judge:

Envisaged Outcome	Tangible/ Intangible	Achieved/ Proposed	Target date & responsibilities (if proposed)	Details of outcome
I. Outcome related to Academia Connect				
a) Internship & Practical Training	<i>Students can apply in SPA Bhopal for internship & Training</i>	<i>An outline for Internship & and Training of B. Arch and BID students is being worked out</i>	<i>Students learnt and upgraded their skill required in the field of Sustainability and Ekistics.</i>	<i>Students have learnt the requisite Narratives to Achieved Sustainability in Built Environs, Specially after COVID-19 conditions.</i>
II. Outcome related to Industry Connect				
a) Placement	<i>Appraised students on their attitudes.</i>	<i>Students become aware of practices adopted to achieve sustainability in their designs.</i>	<i>The skill enhancement would help the students in getting trainings and Placements after completion of degree and to excel in profession as well</i>	<i>Students have learnt the requisite skills and expectations from society, from them as professional architects, to safe guard environment and make this world a happier place to live.</i>
b) Collaborations for Research Papers				
c) Collaborations & MOU for Research Guidance [PhD, PG & UG (summer training, Dissertation)] & Projects/Use of Instruments	<i>Will be available for Viva Voce or Thesis Jury.</i>	<i>MOU with his institute is requested, waiting for further process.</i>	<i>Response on research collaboration for funded projects is awaited.</i>	<i>Students have learnt and understood how effectively they can improve their approach towards their design solutions to create this planet much more sustainable.</i>
d) Collaboration for Funded Projects	<i>No</i>	<i>No</i>	<i>No</i>	<i>No</i>
III. Outcome related to Society Outreach				
a) Benefit to society in terms of Health & Hygiene				
b) Benefit to society in terms of Education	<i>Yes</i>	<i>Yes</i>	<i>Yes</i>	<i>The students (part of the society) will become more positive towards sustainable architecture.</i>
IV. Outcome related to Students Learning & Grooming				
	<i>Students learnt that how to apply the concept of sustainability, in their design solutions.</i>	<i>Students have learnt and understood how effectively they can achieve sustainable design solutions..</i>	<i>Students have learnt the requisite skills and expectations from society, from them as professional architects, to safe guard environment and make this world a happier place to live..</i>	<i>Students have learnt the requisite Narratives to Achieved Sustainability in Built Environs, Specially after COVID-19 conditions</i>
V. Any other				
Students become conversant with the expectations from Society and Nature.				

4. Event Report along with glimpses of the event(Photographs)

4.1 Brief about the address/talk of speakers

- In opening remarks, Ar. Ashish Sharma (Moderator), who was one of the panelists, introduced the speaker and spoke in brief about the works, style and achievements of the invited speaker - Dr. Sandeep Sankat. Ar. Ashish Sharma (Moderator) also urged participants to remain attentive during the whole session and be ready with questions at the end of the session.

- ii) Dr. Sandeep Sankat spoke on the Principles of Ekistics along with the concept of Sustainable Architecture as introduction during his presentation. He discussed the application of many basic principles of sustainable design by explaining his own projects as case study. He also discussed several examples of sustainability narratives to be considered in post covid-19 conditions.
- iii) The speaker emphasized on
 - a. Sustainable Built Environments.
 - b. Sustainability Narratives for Sustainable and accessible Built Environment
 - c. Problems of Built Environment in India
 - d. Consumptions by Humans leads to depletion
 - e. COVID – 19, Pandemic
 - f. Need to Understand that we are dealing with
 - g. Human settlements and Ekistics
- iv) The webinar was moderated by Ar. Ashish Sharma (Associate Professor, ASAP). Many questions asked by the students were answered satisfactorily by the speaker.
 - Rakesh Saxena asked "How one can overcome the threat of Covid -19 under such sustainability narratives and how long"
 - Anonymous attendee asked "Accessibility is important in Covid-19 situation?"
 - Anonymous attendee asked "What kind of scientific approaches are needed to ascertain the sustainability parameters" and many more questions.
 - Finally moderator requested speaker to clarify on the "Practices needs to be adopted at student level to make path for achieving bigger sustainable solutions & goals for society in future".
- v) Prof. L. K. Jain, (HOI & Director, ASAP AUMP) was also present as panellists and appreciated the speaker, at the end Prof. L. K. Jain delivered the Vote of Thanks to All Participants and Speaker.
- vi) Prof. L. K. Jain, (HOI & Director, ASAP AUMP) concluded the webinar.

Speaker started his Presentation

गौरैया और कव्वों (Crows) को बचाना है

Articles Researches Papers Etc. → Is it the quest of sustainable existence of sparrow and crows? → Or it has a much larger context

Conclusion: Rapid Urbanization Conclusion: How they can be saved? Conclusion: Developed a research idea "Sustainability Narratives"

The big question is.....

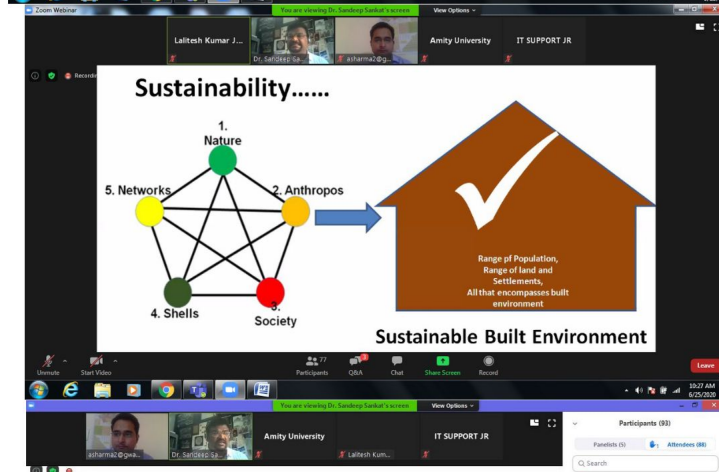

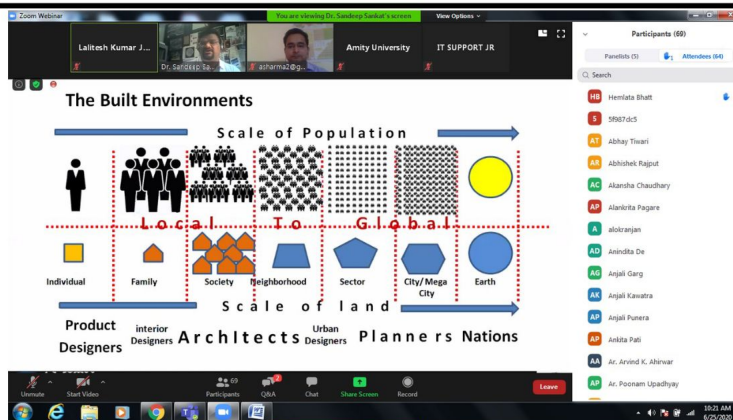

Can the Sustainable Built Environments be achievable.....

COVID – 19, Pandemic

- Living in less is also possible
- Less of Vehicles
- Less of Pollution (Air, Water, Noise, etc.)
- Birds and animals were more visible.
- The mountains were visible from distance.
- Less of Clothing, healthy eating, quality time with family.
- Suddenly, with less also life is possible.
- Those eating Non-veg are surviving without it too.
- Markets are restricted, online shopping more considered.

1. ABOUT AMITY CODING CLUB

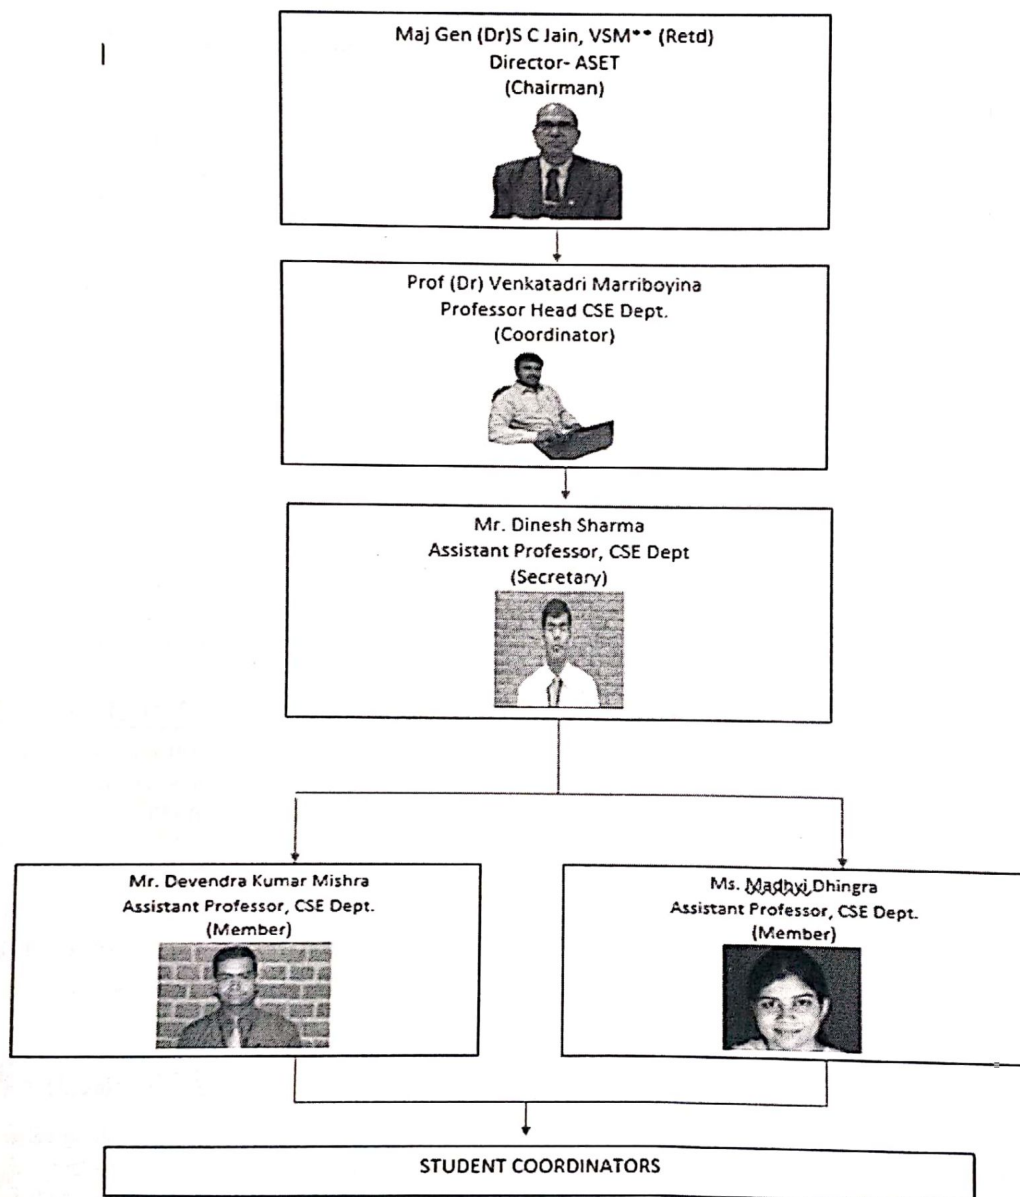

Amity Coding Club of Amity University Madhya Pradesh is a creative place for learning and experimenting the technologies and was constituted with a vision to fill the thrust of curiosity and innovation in technical field. It is a club that provides a platform for all the individuals to learn, research and explore the new and trending technologies. A team of around 150 students eager and curious to work in the field of technology have come together to set ways for a glorious journey. The club aims for the overall development of every member. It has successfully organized various events like Website Development Competition, Seminars on Digital Marketing and Placement Practices etc. The ongoing event Young Mind Challenge 2019 is also one of the competition organized by the club on a national level where all the new ideas capable of solving any problem are to be demonstrated. Online tests and quizzes to prepare the students for placements are also held regularly by the club. Many other competitions have been lined-up in the near future. The club has always aimed to make sure, that anything that is going to benefit the students is provided to them. Technical help, guidance and mentorship is provided to students who are in need of it and are willing to work upon new things. Technical news, articles and terms related to technology are posted on a daily basis on our WhatsApp group which tends to keep all the members updated of all the technological advances that are going around the globe. We have our mark on all the social media platforms where all the updates are regularly posted and it even takes care of entertaining young and innovative minds with all the technical knowledge.

2. ACTIVITIES CONDUCTED

Amity Coding Club conducted so many activities in the year of 2019-20 that includes competitions, website development, App development, and organization of seminar & workshop.

2.1 Competitions Organized

Amity Coding Club organized different competitions for technical skills enhancement of participants.

2.1.1 Website Design and Development Competition

Website Development Competition (WDC-2k19) was conducted, for the students by “**Amity Coding Club**” on 6th September, 2019 in the premises of ASET, Amity University Madhya Pradesh.

It was held in three broad categories which were as follows:

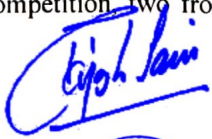

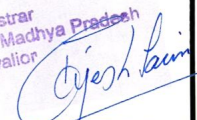

- **Content Based:** in which the content was provided to the students on spot.
- **Service based:** In this a topic was given to the participants for which they need to develop a website.
- **Out of the box:** Websites on any other topic which could illustrate the creativity of the participants.

The judgement criteria for the competition was

- Technology used
- UX (User Experience)
- Uniqueness of the content
- Innovation and Creativity
- UI (User Interface)

The event witnessed enthusiastic participation of the students from first to final year who created websites which portrayed their creative way of thinking.

With a total participation of around 30 Teams six teams won the competition, two from each category of the competition.

2.1.3 Coding Event “Programming Challenge 2k19”

The event was organized on 14th November, 2019 with witnessed an active participation of 40 participants. The competition had 3 rounds and had no elimination by which the students had tested their caliber in all the three phases.

1. Round 1: Predicting

Time: 10:10 – 12:10 p.m. (2 hour).

In this round, a team of two participants had to find as many outputs as they could of the given question sets.

2. Round 2: Quizzing

Time: 12:15 – 1:15 p.m. (1 hour)

Venue: Seminar Hall A block.

This was the live quiz round where each participant had to answer a series of multiple-choice questions and their result were displayed in real-time.

3. Round 3: Programming

Time: 3:15 – 4:45 p.m. (1 hour 30 minutes)

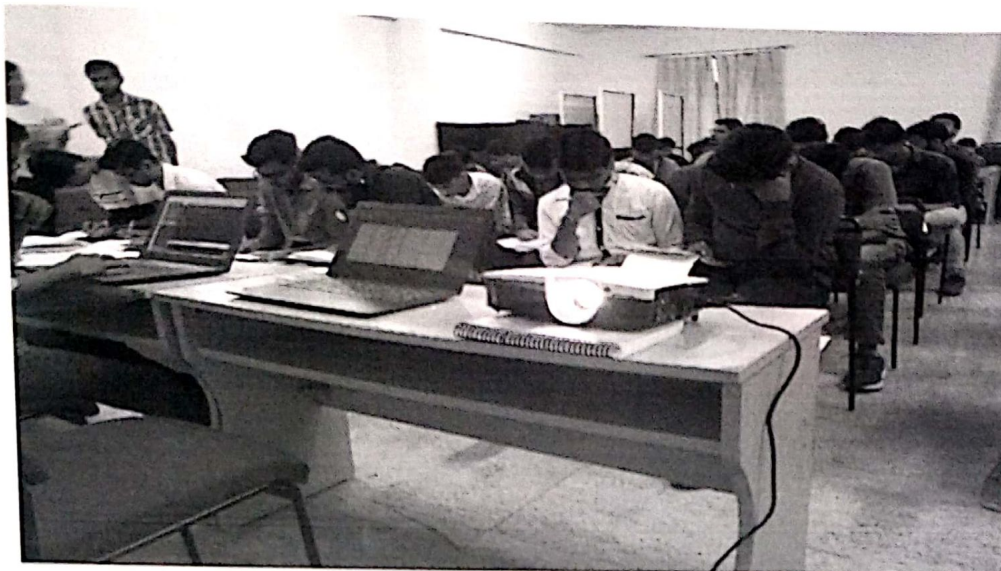

This was the coding round where each participant was provided with 3 coding questions to be solved within the given time of 1 hr. 30 mins on the hacker earth platform.

The event had a great participation and the students demonstrated an excellent level of participation and competitive spirit.

2.2 Websites Developed

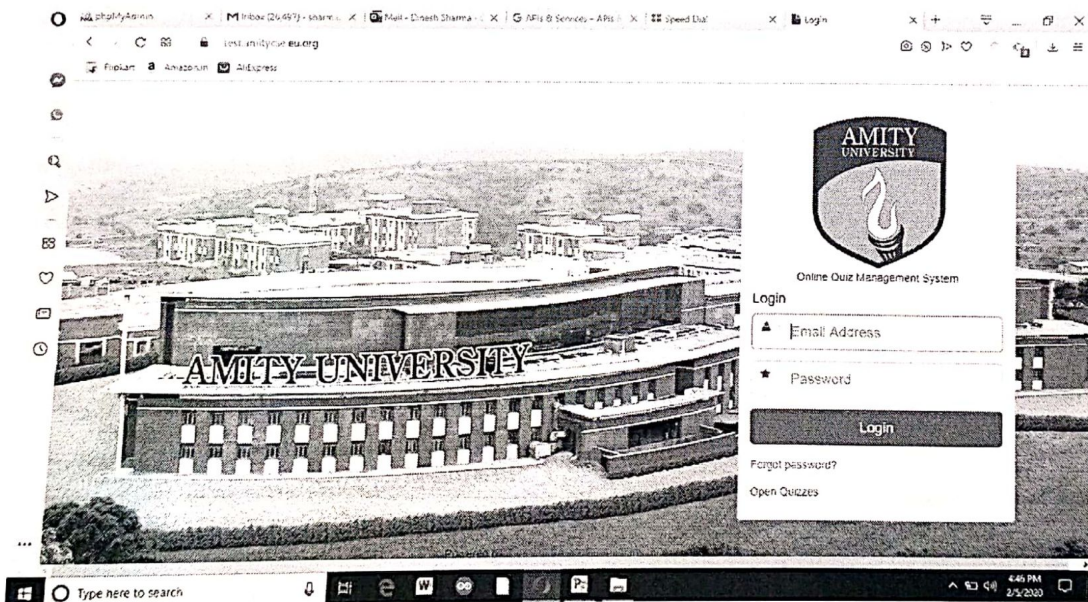

Amity Coding Club developed some websites with the help of club members.

2.2.1 Online Exam Portal (for placement preparation)

Amity coding club Designed and Developed an online examination portal and deploy on 9th Feb, 2019 for placement, Gate exam and other exam preparation for students of AUMP.

The portal has a number of functions like:-

- You can create any number of users.
- You can create quiz as per you like objective, subjective, matching, single option, multiple options etc.
- You can add question from one subject or more than one subject in a single quiz.
- Student can give test any time, any place.
- This system also proving individual, average or complete result on single click.

2.3 Application(App) Developed

Team of Amity Coding Club developed some Application(App).

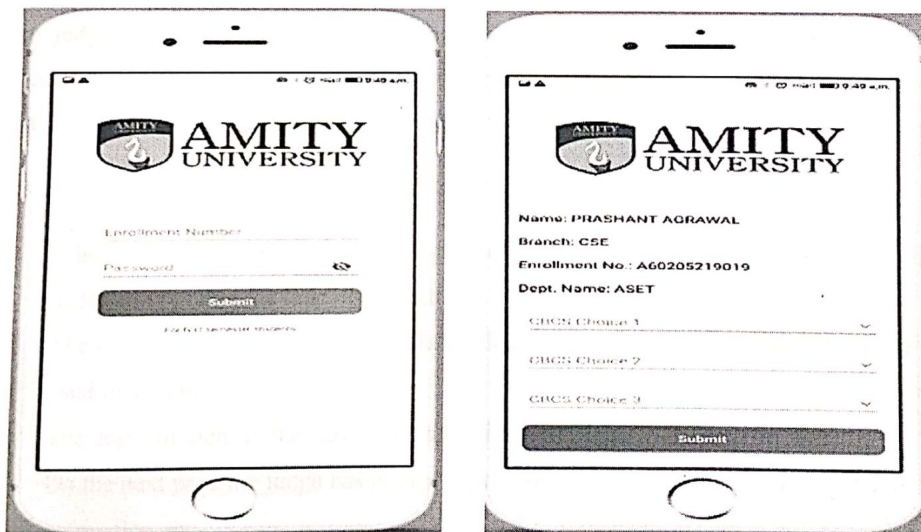

2.3.1 CBCS (Choice based credit system) android app

Amity Coding Club developed an android app on 19th Aug, 2019 for filling CBCS choice online. Before development of this application, choice of students was taken and recorded manually. This manual process took an ample amount of time to process and to allot the subject to the students.

This app has following advantages over existing system in AUMP

- a) Less time to process
- b) Student can check syllabus and select three choice of minor track
- c) Student can fill choice anytime or any Place.

This year we have done minor track choice filling of 500 students within 10 minutes with this Application.

2.3.2 Face Recognition App for Student Registration and Judgment

Amity judgement panel is an application developed on 4th September, 2019; this allows the judges of any event to pass the judgement with the help of this mobile application which uses the technology of facial recognition to identify every participant uniquely.

Steps involved in this process are:

- The respected judge is required to login with their respected credentials to sign into the application during the time of competition.
- The next step is to scan the face of the participant with the help of the inbuilt scanner used in the app.
- The app will identify the participant and will show his/her details on the app.
- On the next page the judge has to give scores based on the certain criteria like creativity, innovation, etc.
- And finally, the score is submitted to the server.

2.4 Workshop/Seminar Organized

Amity Coding Club also organized workshop/seminar for all-round development of students .

2.4.1 Seminar on Placement Preparation

On 25th September, 2019 a seminar on preparation of placement for the first and second-year students, at Amity University Madhya Pradesh, was organized under the supervision of Amity Coding Club in the seminar hall of ASET.

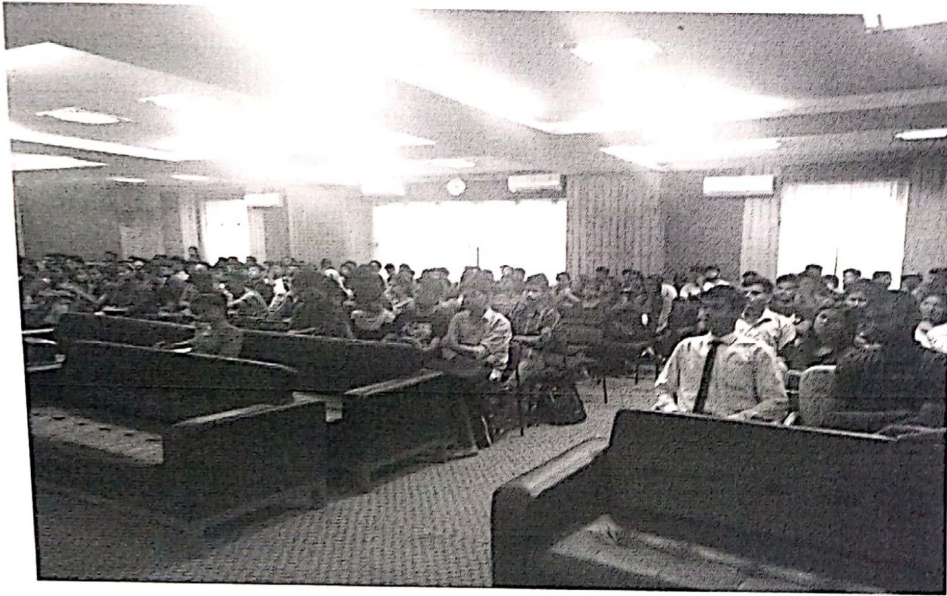

The seminar was taken by Sunny Ralli, Director Praedico Global Pvt. Ltd. and Educap Services India Pvt. Ltd.

Educap is a leading firm, providing the educational training in PAN India in the field of advanced technologies involving Machine Learning, Artificial Intelligence, Deep Learning etc. along with the basic and trending technologies. He briefed the students about the current scenario of the corporate world and how one needs to work hard to stand strong in the market. He discussed about what are the skills and abilities one needs to acquire to get placed in a good company with a very good start. He emphasized on various languages like Python, Java etc. and various buzzwords that are currently trending in the technological world. Skills like reasoning ability, soft skills, aptitude, are quite important for campus placements and one needs to prepare explicitly for them.

2.4.2 Workshop By Academy of Digital Marketing Professionals

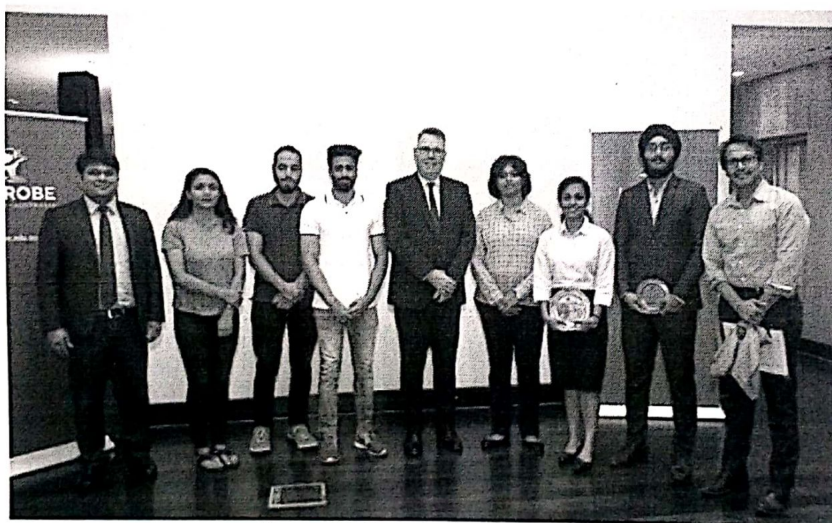

Academy of Digital Marketing Professionals organized one day workshop on **17th Oct, 2019**, it the fastest growing organization in Digital Marketing Training which comprises of a team of highly skilled and dedicated professionals. ADMP believes in providing quality training and they are strictly bound to it. The ultimate goal is to provide Digital Marketing Training as per the current market demand and team of ADMP is firmly committed to serve this purpose. They believe in the concept "Revealing the Internet Secrets, so now Internet Secrets will not be a Secret anymore". Whenever anyone invests their time and money for their skill development, they do so with a sheer force of belief that they would get the best quality training in a more substantial way. And, this belief of the students always inspires them to set high standards for the training. The Aspirants are at their topmost priorities and they are bound to serve them at all possible levels. Digital Marketing is a mandatory skill for a large number of professional roles in the industry today. Through their Digital Marketing Courses, they have trained many entrepreneurs, professionals and students since 2016.

The professionals here discuss why 'Digital Marketing' is useful and effective for career. They also depict how digital marketing can boost our confidence in real market. They

2.5.2 Published a Magazine DIGITREK

This Magazine is an initiative taken by the Club to keep the readers updated about the technological advances going around in the world. The first volume and first issue was released on 8th August, 2019. This is a technical magazine that will take the readers onto a marvelous, invigorating and a thrilling digital trekking experience. The magazine is encapsulated with abundant information on the latest technology, gadgets and gizmos. Also, get a chance to experience the existence saga of various IT innovators and CS scientists from all across the globe. It also brings in exhilarating critiques on numerous movies and video games which has showcased the genuine essence of virtual technology. Also, there is a high-quality phase of mind teasers, crosswords and puzzles as a way to provide you with a mesmerizing laugh and frolic session which would enhance up your brain cells. The magazine provides detailed information about the various challenges like Young Mind Challenge and Website Development Competition. Also, the list of the placements of students has been provided. So, right here we are introducing a complete journey percent for the younger aspirants into the arena of era and digitalization.

OUTCOME REPORT

Of

5th INTRAMOOT 2019

Organized on

16-17 October 2019

By

AMITY LAW SCHOOL

General

1. Life of law is not logic, it is experience. Hence, Practical experience in law is very important. When stands in good stand with any legal professional, Moot Court exercises are indispensable to impart practical training to the students of Law. In the above backdrop, Amity Law School, Amity University, Madhya Pradesh, Gwalior conducted an internal Moot Court Competition, “3rd INTRAMOOT 2017” for its own students. All the UG students of ALS, except first and Final year students, were required to actively participate in the event. 1st year students, however, were also required to take part as the Court clerks and as spectators. The Competition was organized on 16-17 October 2019 in ‘B’ Block, Amity University, Madhya Pradesh, Gwalior, with an intention to give a platform to budding lawyers for growing as a skilled professionals. The Moot Proposition was based on Constitutional Law. The issue was related to Article 14, 19 and 21 of the Constitution of India. Faculty members of ALS judged various rounds of the events. LL.M. students were also included in the panel. Students were examined on three Parameters, First, they were examined for their drafting skill through their Memorials for Petitioner and Respondent, thereafter, researchers of the participating teams were examined for the research they did for the event in relation to Moot Proposition. The ultimate test was the arguments before the Court. Out of 55 teams of 3 students each, 8 teams qualified for quarterfinal round on the basis of their collective marks in Memorials and 1st Oral round. Through knockout rounds, two teams reached the Final. After conducting various rounds in Room No. 106, 107, 108, 109, 110, 204-A and 204-B, the final was organized in the Moot Court.

Objective (s) of the Moot Court Competition

2. The Moot Court Competition was organized with the following objectives:

- a. To impart practical training to the students about the court proceedings and to handle legal problems in a methodical and meticulous manner.
- b. To teach the students to carryout research to find solutions to a legal problem.
- c. To enable the students to learn the art of applying law to the given facts and present arguments before the court in clear, concise and logical manner.
- d. To train the students about the Court etiquettes and court craft to enable them to make persuasive arguments.
- e. To encourage the students to make best endeavours by honest, dispassionate, scientific, critical and careful investigation, enquiry and search to discover legal principles by taking into account the legislation, executive and judicial law making process. Further it is also designed to assess how far the legal process serves the social needs, and how it could be made useful and effective for the public good.
- f. To teach the law students honesty of purpose, industrious engagement rendering justice as a judge and helping to render justice as an advocate, serving the society and philosophical free thinking and solving legal problems independently.
- g. To enable the students to excel in law, consequently testing their creativity and powers of persuasion in a friendly competition.
- h. To motivate the students to excel in interpretative skill which in fact is the lifeline of law.
- i. To create an atmosphere of Moot Court in the ALS.

Pre – Event Outcomes

3. Tangible Outcomes.

- (a) All students from 3rd, 5th and 7th Sem of all courses of ALS participated in the event.
- (b) 1st sem students of UG Courses also participated as Court Clerks and spectators.
- (c) 55 teams of 3 students each participated in the event.
- (d) Total 187 students including 155 competitors, 8 Organizing Committee members and 24 Court Clerks of 1st Sem of UG Courses took part in various capacity in the event.

4. Intangible Outcomes.

- (a) Students of ALS got an opportunity to prepare the memorials based on the ‘Moot Proposition’, which sharpened their drafting skill in relation to a real life issue.

- (b) Arguments on the given issues in Moot Court enhanced their arguments skill before the Court and they got well-versed with the court etiquettes and court craft.
- (c) Students got an opportunity to hear the arguments advanced by other teams on this very topic and views of Judges, which strengthened their knowledge and understanding of the subject.
- (d) Students learnt to carry out the research to find relevant law to the facts of the case.

During Moot Court Competition Outcomes

5. Tangible Outcomes.

- (a) Students participated in the moot court as budding lawyer and argued their cases with refreshing clarity converted into proper courtcraft.
- (b) Certificates were given to every participant, which shall be a part of their record, thereby establishing the name of AUMP forever.
- (c) As per the policy of the University, all the talks were recorded and kept in the Library for future reference of faculties, scholars and students.

6. Intangible Outcomes.

- (a) INTRAMOOT resulted in knowledge sharing by young budding lawyers of ALS in the form of high quality arguments. The participants presented innovative research ideas while arguing. This has resulted in enhancement of knowledge of students.
- (b) Knowledge was disseminated not only to the students of ALS but also to other students of AUMP, who attended the Moot Court.
- (c) The various rounds amplified the awareness of the students on various diversified issues related to the Moot Proposition that increased research skills among the students, research scholars and the faculties.
- (d) The Arguments in Moot Proposition also enhanced the knowledge of faculties and students as well as research scholars. Exposed them to new research ideas, which credibly enhanced the reputation of AUMP as a research and innovation driven University.

Post Moot Court Competition Outcomes

7. Tangible Outcomes.

- (a) A data base of all the Memorials of participants has been developed and maintained for future reference.
- (b) Certificates were distributed to all the participants and so also the awards to winners. This will also enhance our brand visibility.

of

SHRI JP GUPTA MEMORIAL 3rd AUMP NATIONAL MOOT COURT COMPETITION 2019

Organised from 26th to 28th September 2019

By

AMITY LAW SCHOOL

1. General

Amity Law School (ALS) – Amity University Madhya Pradesh organised Shri JP Gupta Memorial 3rd AUMP National Moot Court Competition 2019 on 26th to 28th September 2019 at B Block Amity University MP Gwalior, with an intention to give a platform to budding Lawyers for flowering them as skilled professionals. The Moot proposition was based on a case argued by legendary Shri JP Gupta from trial Court to Supreme Court. 76 Entries were received, but due to resource constrained only 42 teams were allowed. The dignitaries who graced the event included Sitting and Former Judges of High Court and District Court, and Advocates of High Court of M.P. who judged various rounds of the events, shared their ideas on this contemporary topic and their experiences while dealing with the related matters.

Team of Army Institute of Law, Mohali won the competition by defeating the team of Auro University, Surat, whereas other two teams in Semi Final were Punjab University, Chandigarh, and Dr. D.Y. Patil Institute of Law, Pune. In the final the teams argued their viewpoints before a bench comprising 3 sitting Judges of M.P. High Court namely Hon'ble Mr. Justice S.A. Dharmadhikari, Hon'ble Mr. Justice Anand Pathak and Hon'be Mr. Justice Vishal Mishra.

A cultural eve was organised on 27th September 2019. Valedictory ceremony was conducted on 28th September. Guests in valedictory function were 3 sitting Judges of M.P. High Court namely Hon'ble Mr. Justice S.A. Dharmadhikari, Hon'ble Mr. Justice Anand Pathak and Hon'be Mr. Justice Vishal Mishra.

2. Objective(s) of the Moot Court Competition

The AUMP National Moot Court Competition was organised with the following objectives:

- a. To encourage the students for making best endeavours by honest, dispassionate, scientific, critical and careful investigation, enquiry and search to discover legal principles, taking into account the legislation, executive and judicial law making and decision making process with a view to assess how far the legal process serves the social needs, and how it can be made useful and effective for the public good.
- b. To teach the law students practically honesty of purpose, industrious engagement rendering justice as a judge and helping to render justice as an advocate, serving of the society and philosophical free thinking and solving legal problems independently.
- c. To challenge students to excel in law, consequently testing their creativity and powers of persuasion in a friendly competition.
- d. To provide an opportunity to the students to interact with their counterparts of entire country at one place.
- e. To motivate the students to give excel to their wings of creativity, specifically in the field of law.
- f. To create an atmosphere of Moot Court in the ALS.

3. Pre –Event Outcomes

3.1 Tangible Outcomes

- a. The Moot Court Competition attracted the attention of the Institutions and the academicians from every part of the country.
- b. 102 Institutes enquired about the events.
- c. 76 teams registered themselves, whereas 42 teams were allowed to participate in the event.
- d. Five teams of various National Law Schools were also participated in the event.
- e. Rs. 1,25,000/- received against Registration Fees from the participating teams.

3.2 Intangible Outcomes.

- a. Vide scale publicity was done through various websites, Social media, correspondence and other sources in various Law Schools throughout India. This massive publicity helped to establish the brand AUMP.
- b. Law Octopus, Jus decree and Law Seekho were associated with the event which can be converted into a long term relationship with these leading legal websites having wide base in India.

- c. The Moot Proposition was related with the interest of every Indian citizen and at the same time comprising serious legal issues. Students from every corner of the country argued on this very topic and judges also discussed their views. Students of ALS got an opportunity to hear the experts on the issue, which strengthened their knowledge and understanding of the subject.
- d. Memorials submitted by various teams are assets to the Law library.

4. During Event Outcomes

4.1 Tangible Outcomes.

- (a) 3 sitting Judges of M.P. High Court namely Hon'ble Mr. Justice S.A. Dharmadhikari, Hon'ble Mr. Justice Anand Pathak and Hon'ble Mr. Justice Vishal Mishra Judged the Final Round and graced the event as Chief Guest and Guests of Honour during Valedictory session. Another sitting Judge of M.P. High Court Hon'ble Mr. Justice G.S. Ahluwalia inaugurated the event whereas the Former Judge of M.P. High Court Hon'ble Justice A.K. Shrivastava graced the cultural function on 27th September 2019 as chief guest. They appreciated our efforts. Other Guests including Advocates of M.P. High Court also very much impressed with the efforts made by ALS.
- (b) Certificates and Mementoes were given to every participant, which shall be a part of their record, thereby establishing the name of AUMP forever.
- (c) As per the policy of the University, all the talks were recorded and kept in Libraries for future reference of faculties, scholars and students.

4.2 Intangible Outcomes

- (a) National Moot Court resulted in knowledge sharing by young budding lawyers of various institutes in the form of high quality arguments before experienced Advocates and Hon'ble Judges. The participants presented innovative research ideas while arguing. This has resulted in enhanced knowledge of students and delegates.
- (b) Knowledge was disseminated not only to the students of ALS but also to other students of AUMP who attended the Moot Court.
- (c) The various rounds amplified the awareness on various diversified issues related to the Moot Proposition that increased research skills among the students, research scholars and the faculties.

- (d) The Arguments in Moot Proposition also enhanced the knowledge of faculties and students as well as research scholars, exposed them to new research ideas, which credibly enhanced the reputation of AUMP as a research and innovation driven University.
- (e) Registration by 76 teams and participation of 42 teams from the renowned institutions throughout the country, manifested the reach of ALS, AUMP in the country.

5. Post Event Outcomes

5.1 Tangible Outcomes.

- (a) The event was covered by leading newspapers including Dainik Bhaskar, Patrika, Nav Bharat etc. (Web-links for news clippings are given in Appendix-II). This has resulted in brand building of AUMP and is likely to result in enhanced admissions in the forthcoming session.
- (b) A strong relationship was built with M.P. High Court, High Court Bar Association, a number of leading lawyers of Gwalior and a number of other institutions that participated in the event.
- (c) A data base of all the Memorials of participants has been developed and maintained for future reference.
- (d) The Participants, who got prizes, are our brand ambassadors.
- (e) Certificates were distributed to all the participants and so also the mementoes to all participating teams. This will also enhance our brand visibility in other Institutes.
- (f) We received Sponsorship worth Rs. 1,50,000/- from the family of Late Shri JP Gupta to organize this competition on his name.
- (g) An amount of Rs. 1,25,000/- was collected as participation fees, Rs. 1,50,000/- as sponsorship and Total Rs. 2,75,000/- were the approximate expenses.

5.2 Intangible Outcome.

- a) The concepts of Event will also help the students in shaping their career as good advocates and legal professionals.

6. Implementable Learning Outcomes

- a) Buoyed by the abundance success of National Moot Court, we will be able to take steps to organize the Moot Court at International level by having liaison with foreign Universities.
- b) More and more Intra Moot Court Competitions are required to be conducted to train our students to take part in International Moot Court.
- c) Students are required to be trained more on court craft specially body language. For this purpose, experienced lawyers of good standing will be called as expert in this field
- d) Students are required to be taken on educational tours to Supreme Court and High Courts to watch live Court proceedings to train our students in good advocacy.

ग्वालियर ♦ एडवोकेट का प्रोफेशन चुनने वाले स्टूडेंट्स को धैर्यवान होना पड़ेगा। उन्हें कठोर परिश्रम करना होगा, किंतु इसका परिणाम उन्हें एक श्रेष्ठ अधिवक्ता की पहचान और सम्मान के रूप में प्राप्त होगा। यह बात न्यायमूर्ति एसए धर्माधिकारी ने मूट कोर्ट प्रतियोगिता के फाइनल राउंड पर कही। यह आयोजन एमिटी यूनिवर्सिटी की ओर से जेपी गुप्ता की स्मृति में आयोजित किया गया था। प्रतियोगिता का निर्णय हाईकोर्ट के न्यायमूर्ति एसए धर्माधिकारी, न्यायमूर्ति आनंद पाठक, न्यायमूर्ति विशाल मिश्रा ने किया।

अधिवक्ता मुकेश गुप्ता ने बताया कि अधिवक्ता और चिकित्सक का व्यवसाय एक है। दोनों का काम मानव जीवन को बचाना है। जिस प्रकार चिकित्सक अपने मरीज को मौत के मुंह से बचाता है वहीं अधिवक्ता व्यक्ति को फांसी के फंदे से बचाता है। एमिटी नेशनल मूट कोर्ट कॉम्पीटिशन में आर्मी इंस्टीट्यूट ऑफ लॉ मोहाली की टीम विजेता रही। लास्ट दिन विजेता टीमों को पुरस्कृत किया गया। इस अवसर पर एमिटी विश्वविद्यालय के कुलपति लेफ्टिनेंट जनरल वीके शर्मा, डिप्टी प्रो वीसी डॉ अनिल वशिष्ठ, रजिस्ट्रार राजेश जैन, निदेशक मेजर जनरल सुनील कुमार लॉ डिपार्टमेंट के हेड संदीप कुमार श्रेष्ठ उपस्थित रहे।

ही होना चाहिए। इस मौके पर यूनिवर्सिटी के कुलपति वीके शर्मा, डॉ. अनिल वशिष्ठ, डॉ. आरएस तोमर, राजेंद्र

कुमार, डॉ. संदीप कुलश्रेष्ठ मौजूद रहे। कॉम्पटीशन के दूसरे दिन शुक्रवार को सांस्कृतिक कार्यक्रम होंगे।

देशभर से आई हैं 42 टीम

मूट कोर्ट कॉम्पटीशन में देशभर से 42 टीम हिस्सा लेने आई हैं। सभी को एक मामला दिया गया है। मामला यह है कि इंदौर में रहने वाली दो लड़कियों को हत्या हो जाती है। रात के आधार पर पुलिस एक लड़की के बैगफ्रेड को मुंबई से गिरफ्तार करती है, क्योंकि घटनास्थल पर मृतिक्वा के पिता ने पुलिस को बताया था कि घटना के एक दिन पहले ही लड़के के पिता से उनको बहस हुई थी। पुलिस हत्या में उपयोग चाकू भी बरामद कर लेती है।

1.10 **General Introduction of the Event** : Global pandemic of covid-19 has given great boost in virtual meetings and interacting with the society through platform of social media hence, there is always likelihood that social media able to manipulate the public opinion, What is the impact of social media on the minds of the people and how it is changing their thought process and consequently affecting society and country is a point of concern for all of us and required to be discussed in the present digitalized age, specifically after global pandemic of covid-19. Perception plays a vital role in our life and that being abstract thing or intangible things can be changed by those with whom we are interacting. In the present age of Information Technology, interacting with people has been revolutionized within last two decades which could not be seen in last 200 decades. It is important to note that this way of interaction can be easily manipulated, guided and directed to achieve a particular goal that maybe destructive or harmful to nation. Young generation is heavily relying on the social media and forming their perception towards a particular thing, In view of this, it is necessary

1.11 Objectives of the Event

- To evaluate and analyze impact of social media in molding the public opinion which may create threat to democracy.
- To have an intellectuals meeting of minds to ponder and analyze the circumstances and apprehension of threat to democratic setup as we democracy is the expression of opinion people in the civilized and systematic manner.
- To find the ways ahead to face the global issue of social media
- Offer a distinctive blend of opportunities for networking, learning through enriching keynote addresses, intellectual exchanges and plenary speeches
- Offer opportunities for publishing

सोशल मीडिया पर नियंत्रण मूल अधिकारों पर नियंत्रण करने जैसा : केटीएस तुलसी

नवभारत न्यूज़

ग्वालियर 6 मार्च. जनमत को प्रभावित करने के लिए सोशल मीडिया के उपयोग को नियंत्रित करने के लिए उपलब्ध कानूनों का प्रभावी क्रियान्वयन आवश्यक है। यद्यपि ईफोर्मेशन टेक्नोलॉजी एवं भारतीय दंड संहिता के उपबंधों में विरोधाभास भी देखने को मिलता है। साथ ही संवैधानिक अधिकारों की सुरक्षा को भी अनदेखा नहीं किया जा सकता। उक्त उद्गार उच्चतम न्यायालय के वरिष्ठ अधिवक्ता केटीएस तुलसी ने एमिटी ला स्कूल ग्वालियर द्वारा आयोजित राष्ट्रीय वक्तासम्मेलन में व्यक्त किये।

सम्मेलन में श्री तुलसी ने कहा कि वस्तुतः सोशल मीडिया पर नियंत्रण संविधान में अभिव्यक्त मूल अधिकारों पर नियंत्रण करने जैसा है। निजता का अधिकार (राइट टू प्राइवेसी) एवं अभिव्यक्ति

की स्वतंत्रता के अधिकारों में संतुलन की आवश्यकता है। श्री तुलसी ने विभिन्न देशों में सोशल मीडिया पर नियंत्रण हेतु अपनाये गए प्रभावी कानूनों का जिक्र करते हुए भारत में भी ऐसे प्रयासों की आवश्यकता को रेखांकित किया।

समारोह को संबोधित करते हुए एमिटी के फाउंडर प्रेसिडेंट (डी.) अशोक चौहान ने कहा कि विषय की विवेचना वर्तमान परिस्थितियों में समीचीन है एवं सोशल मीडिया मैनिपुलेशन ने सम्पूर्ण विश्व में प्रजातंत्र को व्यापक रूप से प्रभावित किया है।

एमिटी के चान्सलर डॉ. असीम चौहान ने इस दिशा में एमिटी विश्वविद्यालय द्वारा संचालित फेक न्यूज़ डिटेक्शन सेंटर की चर्चा करते हुए अन्य आवश्यक उपाय करने की

आवश्यकता पर बल दिया। समारोह को सम्बोधित करते हुए एमिटी विश्वविद्यालय के कुलपति लेफ्टिनेंट जनरल वीके शर्मा एबीएसएम (रिटायर्ड) ने विधि के विश्वविद्यालयों के साथ जनसामान्य से जुड़े इस विषय पर व्यापक चर्चा की आवश्यकता बताई। वरिष्ठ अधिवक्ता एवं राज्य सभा सदस्य पी. विल्सन ने सोशल मीडिया द्वारा किए जा रहे मैनिपुलेशन से वैश्व स्तर पर चुनावी नतीजों पर पड़ने वाले प्रभावों की उदाहरणों सहित चर्चा की। आभार प्रदर्शन एमिटी ला स्कूल, के नदेशक मेजर जनरल राजेंद्र कुमार (रिटायर्ड) ने किया तथा स्वागत संचालन डॉ. राखी सिंह चौहान ने किया। इस अवसर पर एमिटी के प्रो वाइस चान्सलर प्रोफेसर (डी.) एमपी कौशिक, रजिस्ट्रार राजेश जैन, प्राध्यापकगण एवं बड़ी संख्या में स्टूडेंट्स उपस्थित रहे।

Guidelines needed to stop misuse of social media: P Wilson

FP NEWS SERVICE
Gwalior

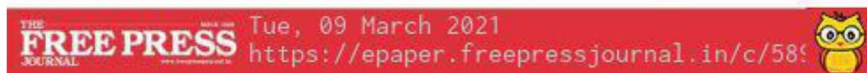

Rajya Sabha MP and senior advocate of the Supreme Court, P Wilson, said on Saturday that it had become necessary to bring a legislation to prevent the misuse of social media, because the existing guidelines were not sufficient to regulate the OTT (Over-The-Top) platforms.

He made the statement virtually in the inaugural session of a seminar on 'Social Media Manipulation of People Opinion: A Threat to Democracy. Amity University of Madhya Pradesh, Gwalior, conducted the event. Besides that, social media has some positive aspects of democracy, he said.

Another Rajya Sabha MP and designated senior advocate of the Supreme Court, KTS Tulsi, was the chief guest in the valedictory session of the seminar. Tulsi said there was an ambiguity of the application of laws in case of offences on social media. Tulsi also

spoke about how to resolve those problems. Col R Balasubramanian, VSM (Retired), designated senior advocate of the Supreme Court and former Additional Solicitor General of Armed Forces Tribunal Principal Bench at New Delhi addressed the inaugural session of the seminar as a special guest. He highlighted the inherent dangers of Social Media manipulation of public opinion especially through fake news.

Ashok K Chauhan, the Founder President of Amity University and Aseem Chauhan, the Chancellor and Chairman of Amity University MP also addressed the valedictory session. The Seminar was held under the Chairmanship of Lt Gen V K Sharma, vice-chancellor of the university, M P Kaushik, Pro V-C of the university, Maj Gen Rajinder Kumar, director of Amity Law School (ALS) and Rakhi Singh Chouhan, head of the department of ALS were present in the seminar.

AMITY LAW SCHOOL
OUTCOME REPORT
Of
MODEL UNITED NATIONS
6th & 7th August 2019

1. General

Amity Law School (ALS) – Amity University Madhya Pradesh organised a Model United Nations at national level on 6th and 7th August 2019. Model United Nations, also known as Model UN or MUN, is an extra-curricular activity in which students typically role plays delegates to the United Nations and simulates UN and Indian committees. This activity takes place at MUN conferences, which is usually organized by a high school or college MUN club. At the end of most conferences, outstanding delegates in each committee are recognized and given an award certificate; the Best Delegate in each committee. Thousands of middle school, high school, and college students across the country and around the world participate in Model United Nations, which involves substantial researching, public speaking, debating, and writing skills, as well as critical thinking, teamwork, and leadership abilities.

Amity Law School has organized two days Model United Nation on 6th and 7th August 2019 . The event was inaugurated by lightening of lamp by Prof (Dr) Sukhsimranjit Singh, Managing Director, Straus Institute of Dispute Resolution and Professor os Law in Pepperdine University, California, USA. Pro Vice Chancellor Dr M P Kaushik and Director ALS also chaired the session . Secretary General of this MUN Ms Rashi Rohira declared the MUN open.

In this edition of AUMP MUN there were a total of seven committees including the International Press. The committees were –

United Nations Security Council (UN Committee) UNSC

Agenda: Ongoing Crisis in the Middle East

United Nations Human Rights Council (UN Committee) UNHRC

Agenda: Violation of Rights of Women and Children in Conflict Zones

United Nations General Assembly: DISEC (UN Committee)

Agenda: Measures for Disrupting Terrorist Funding Network

United Nations General Assembly: Legal (UN Committee)

Agenda: Reconsideration of International Conventions and Covenants on Death Penalty

Lok Sabha (Indian Committee)

Agenda: The Transgender Person (Protection of Rights) Bill, 2018

All India Political Party Meet (Indian Committee) AIPPM

Agenda: Comprehensively Analysing the Reservation System in the Light of 21st Century

International Press – Journalism and Photography

The agendas of committees were decided while keeping in mind the current world scenario and the immediate requirement of changes and reforms in respective areas.

For this event Amity Law School hosted around 368 students. These students were from schools and colleges from Gwalior and other parts of country. A cultural eve was organized on 6th August. Valedictory ceremony was conducted on 7th August. Chief Guest in valedictory function was Maj. Gen. Aswani Siwach, YSM, VSM**

2. Objective(s) of the Workshop

The Model United Nation was organised with the following objectives:

- a) Gain insight into the workings of the United Nations and the dynamics of international relations by providing opportunities to assume the roles of UN representative
- b) Understand relations between countries and particularly power relations between rich and poor countries
- c) Carry out in-depth research which will include geography, history, science and economics related to climate change and issues of global poverty and the SDGs
- d) Debate the issues that confront world leaders and draft resolutions in response to these global issues
- e) Develop and experience important social skills such as teamwork and group cooperation, conflict resolution, negotiation, consensus-building, critical thinking, public speaking and listening

3. Pre –Workshop Outcomes

3.1 Tangible Outcomes

- a) The Educational Benefits of MUN will be that it will motivate students to learn on an emotional level.
- b) Model UN is a motivational experience.
- c) It's fun to pretend being a world leader solving the world's most important problems in 48 hours or less.
- d) Model UN activates students' imagination and creativity
- e) Around 500 students got registered for participating in event

3.2 Intangible Outcomes.

- a) Model UN teaches students about the world. In this era of globalization, learning about the world is more important than ever. No matter what field or profession students enter, they will interact with people from different countries and diverse backgrounds. Problems taking place halfway around the globe impact our lives, our country, and our communities. Students learn about the world as they prepare for Model UN conferences, represent countries other than their own, and present possible solutions to global problems in committee.
- b) Students also learn by meeting people from other countries and travel to places they've never been before.

4. During MUN Outcomes

4.1 Tangible Outcomes.

- a) The event was inaugurated on 6th August 2019 by lighting of lamp. Secretary General of this MUN Ms Rashi Rohira declared the MUN open.
- b) There were a total of seven committees and the International Press. The committees were – UNSC, UNHRC, UNGA- DISEC, UNGA-Legal, AIPPM. Lok Sabha and International Press.
- c) The agendas of committees were decided while keeping in mind the current world scenario and the immediate requirement of changes and reforms in respective areas. Profile of the Chief Guest
Of Opening Ceremony

Sukhsimranjit Singh is Managing Director of the Straus Institute for Dispute Resolution at Pepperdine University School of Law, where he also serves as Assistant Professor of Law and Practice. Professor Singh oversees the Institute's global outreach efforts, world-class professional training programs, and rigorous academic curriculum. His practice, teaching, and scholarship focus on cross-cultural dispute resolution, faith-based mediation, and utilizing modern theories, science, and technology to devise creative solutions for global disputes.

Professor Singh is a successful international mediator and has resolved disputes in countries throughout the world—including in states across the United States, Canada, India, and New Zealand, to name a few. He currently serves as the mediator for Willamette University's Atkinson Graduate School of Management, where he identifies and resolves organizational conflicts, and for the City of Beverly Hills, where he was recently nominated for the city's annual Peace Award.

He teaches various subjects in dispute resolution at Pepperdine, and he has previously taught at USC School of Law, Willamette University, Hamline University, as well as in India at the National Law University, where he was appointed Honorary Professor of Law, and at Rajiv Gandhi National University of Law. In 2017, the Government of India recognized Professor Singh as a GIAN scholar for his teaching in the field of dispute resolution. Professor Singh's work can be found in several journals and books on dispute resolution, and most recently he published, "Best Practices for Mediating Religious Conflicts."

Professor Singh has given keynotes, lectures, and trainings on dispute resolution in more than 30 states across the United States, as well in Australia, Brazil, Canada, China, Denmark, Egypt, France, India, New Zealand, Singapore, and Spain. He has delivered online TEDx Talks on dispute resolution in relationships, titled "Negotiating for Love," in 2015 and on professional identity titled "Made in India," in 2018.

Upon earning his Bachelor of Law from India's premier Law University, National Academy of Legal Studies and Research, Professor Singh clerked for the Chief Justice of India, Justice R.C. Lahoti. He received an LL.M. in Dispute Resolution from the University of Missouri-Columbia and completed a post-graduate fellowship at Hamline University's Dispute Resolution Institute.

Professor Singh is an Honorary Fellow at the International Academy of Mediators (IAM), a Council member for the American Bar Association's (ABA) Section of Dispute Resolution, an Executive Committee Member for the American Association of Law School's (AALS) Dispute Resolution Section, and an Executive Committee Member for the Pepperdine/Straus American Inns of Court for Dispute Resolution. He also serves on the board of the Weinstein International Foundation, an affiliate of JAMS International.

Education

- LL.B., National Academy of Legal Studies and Research University (India)
- LL.M., University of Missouri-Columbia

सिटी एंकर

मॉडल यूनाइटेड नेशंस के शुभारंभ पर पेपरपीडिन यूनिवर्सिटी कैलिफोर्निया के एमडी प्रो. सुख सिमरनजीत सिंह ने छात्रों से कहा

लीडर बनने के लिए लड़ना सीखो, विजन रखो और कठोर परिश्रम करो

ਸਿਟੀ ਰਿਪੋਰਟਰ | ਗੁਰਮਿੰਦਰ

जीवन में कुछ करना है और सफ़रों लौटकर आने में तो हमसे पहले लोग मॉडल बना चुके हैं। देखकर सीखो कि अगले क्या करना है। एक लौटकर बनें में 10 से 15 साल काफ़ी लम्बे हैं। लौटकर बनें के लिए 5 बातों का होना हमसे ज़रूरी है। पहला लुप्त सीखो, और आज़ादी बाढ़ सही है तो उसमें डूब जाओ। दूसरा आपसे आपस धिक्कन होना चाहिए। कठोर परिश्रम करो, आपका परिश्रम और सौभाग्य विधासर्ग ही, इसमें अड़ो है। ध्यान रखना सरकला का कौटो रॉटवुड नहीं है। वह बाढ़ दरमिंद रॉटवुड पर। डिम्यूट रिज़ल्टेशन, पेपरपीपी यूनिवर्सिटी कैलिफ़ोर्निया के एमपी को सुख मिलानेजोति सिंह ने कहा। वह मंगलवार को एमपी यूनिवर्सिटी में मॉडल यूनाइटेड नरेश के शुभारंभ पर भाष्य-आश्रयों को सफ़रकला के टिप्प दे रहे हैं। एमपी टी स्कूल को और से अचानकी पामपुनन में निदेशक राजेश कुमार, एमपीजीडी डॉ। रवीश चौधन मौजेंड रहे।

पैसा कमाओ, लेकिन समाज के लिए कुछ करो : प्रो. सुख सिमरनजीत सिंह ने कहा कि पैसा कमाओ, लेकिन समाज के प्रति अपनी जिम्मेदारी को समझो। समाज के लिए पैसे करो, जिसका फायदा उत्प्रेरक तत्वों को मिले।

ईसान में इन्वेस्ट करना होगा: उन्होंने कहा कि विश्व में भारतीय प्रतिभाओं की मांग है, लेकिन विश्व के टॉप-200 संस्थानों में हम कहीं नहीं आते। इसकी सबसे बड़ी है कि हम भ्रमों में इन्वेस्ट करते हैं, लेकिन कभी ईसानों में इन्वेस्ट नहीं करते।

WEEKLY CAMPUS REPORT

AMITY LAW SCHOOL

LEGAL AID CAMP IN CENTRAL JAIL GWALIOR

4TH DECEMBER 2019

On the occasion of 70th anniversary of drafting of Indian Constitution, the awareness programme on fundamental duties of Indian Constitution are to be organized by District Legal Services Authorities , District Court Gwalior. This programme is as per the order of National Legal Service Authorities and Govt of India. Prof Dr Rakhi Singh Chouhan, HOD and Mr Arun Sharma Assistant Professor ALS are nominated as resource person for the conduct of legal aid camps by DALSA.

On 4th December 2019, legal aid camp was conducted in Central Jail Gwalior. The camp was conducted in two parts in jail- one for under trial prisoners and one for convicted prisoners. Secretary DALSA , Para Legal Volunteers of DALSA and Judicial Officers of District Court Gwalior were present in camp.

Prof (Dr) Rakhi Singh Chouhan delivered lecture to under trial prisoners and Mr Arun delivered lecture to Convicted prisoners. They visited the entire campus and had interaction with all prisoners.

Dr Rakhi found an under trial prisoner who was granted bail from the court but there was no one to furnish the bail. On the initiation of Dr Rakhi the bail was furnished and he was released from jail a day after.

Two cancer patients were admitted in jail hospital whose case was referred to jail authorities for release on humanitarian grounds. On the initiation of Dr Rakhi the appeal of both the patients is filed in High Court through Advocate of Legal Aid and the application of suspension of sentence on medical ground is initiated as well.

Prof (Dr) Rakhi Singh Chouhan addressing under trial prisoners on fundamental duties of Indian Constitution

Secretary DALSA addressing convicted prisoners and providing legal aid

Interacting with kids of prisoners in jail

Mr Arun Sharma (Assistant Professor) addressing the convicted prisoners on fundamental duties
